C Combined Degrees - one parchment will be issued upon completion of an agreed combination of courses within a reduced period

D Double Degrees - two parchments will be issued upon completion of the requirements of both degree program rules.
1 Students satisfactorily completing all courses may expect to complete an academic program within the expect to complete an academic
normal duration of that program.
2 The Indicative Annual Tuition Fee is for a standard full-time load of 24 units per year. The quoted fee is a base fee that may be subject to an annual increase of up to $9 \%$ for each of the subsequent years of the program for the duration published subsequent years of the program for the duration published in this prospectus. The fee covers the cost of teaching and student support services. In the case of double degrees with Law, the Indicative Annual Tuition Fee for both programs is listed
3 Additional note for international students undertaking an Australian Year 12 qualification: you will be required to meet specific prerequisites including passing a designated English subject. Students should refer to www.satac.edu.au for more information
4 A Level results are calculated on the aggregate score from $3 \mathrm{~A} / \mathrm{H} 2$ subjects (or $2 \mathrm{~A} / \mathrm{H} 2$ and $2 \mathrm{AS} / \mathrm{H} 1$ Level subjects) or at least 2 A Level and 1 AS Level subjects from HKALE applicants, where $A=5, B=4, C=3, D=2, E=1$ for $A / H 2$ Level, and $A=2.5, B=2.0$, $C=1.5, D=1.0, E=0.5$ for AS/H1 subjects. Score from General Paper or language subject in the applicant's first language are excluded from the calculation. A subject can only be counted once at either $\mathrm{A} / \mathrm{H} 2$ or $\mathrm{AS} / \mathrm{H} 1$ Level.
5 HKDSE results are calculated on the aggregate score of 5 subjects where $5^{*}=5,5=5,4=3,3=1$. Category $B$ and C subjects may not be used to calculate an entry score. Note: The HKDSE minimum entry requirements are subject to change. Please refer to www.international.adelaide.edu.au/ apply/admission for more information
6 Best 5 subjects excluding language subjects. Students must achieve numerical score listed above or lower, UEC grades $\mathrm{A} 1=1, \mathrm{~A} 2=2, \mathrm{~B} 3=3, \mathrm{~B} 4=4, \mathrm{~B} 5=5, B 6=6, \mathrm{C} 7=7, \mathrm{C} 8=8$
7 Average of best 6 subjects
8 Best 3 subjects, excluding language and non-academic subjects
9 Best 3 subjects, excluding language and non-academic subjects. Acceptable State Board Examinations: Maharashtra, Karnataka, Andra Pradesh, Tamil Nadu
10 SAT1 Critical Reading, Mathematical and Writing aggregate score in conjunction with High School Diploma
11 The stated grade is the minimum entry grade where $1=$ TER 99 and 4=TER 66
12 Successful completion of Matayom 6 and the award of the Certification of Secondary Education. GPA on a 4 point scale where $A=4, B=3, C=2, D=1, F=0$
13 Compare average of best three subjects' final results to minimum requirement below.
14 Two subjects chosen from Biology, Chemistry, Geology, Mathematics or Physics.
15 Chemistry and one other science subject chosen from Mathematics, Physics, Biology or Geology. Mathematics and Physics an advantage.
16 Chemistry and Mathematics desirable
17 Physics an advantage
18 Streams available in Process and Product Engineering; Energy and Environment; Food, Wine and Biomolecular; and Mineral Processing
19 Two subjects: 1 from Chemistry, Mathematics or Physics, and 1 from Biology, Chemistry, Geology or Physics
20 Chemistry desirable
21 Chemistry is a prerequisite for students majoring in Chemistry; Physics and Mathematics are prerequisites for students majoring in Physics.
22 Specific selection criteria (audition) apply in addition to academic performance in year 12
23 Other selection criteria (test/oral assessment) apply in addition to academic performance
24 Other selection criteria (oral assessment) apply in addition to academic performance
25 Not all disciplines have July entry
26 A quota applies. The standard cut-off is the indicative minimum, above which, applications will be ranked according to academic merit. In addition to academic performance, other selection criteria (test/interview) may apply.
27 July entry may be available if student is eligible for advanced standing
28 Hons program available for students completing this program
29 Other selection criteria (structured oral assessment) apply in addition to academic performance
30 Other selection criteria (personal statement, clinical assessment, written/oral testing, interview and two Professional referees reports) may be required in addition to academic performance
31 Availability of places is limited. There is no guarantee that places will be available in a particular year.
32 Entry available after year 11 or equivalent. Audition is also required.
33 Graduate entry only (no direct entry from year 12)

NOTES

C Combined Degrees - one parchment will be issued upon completion of an agreed combination of courses upon completion of an a
within a reduced period.
D Double Degrees - two parchments will be issued upon completion of the requirements of both degree program rules
1 Students satisfactorily completing all courses may expect to complete an academic program within the normal duration of that program
2 The Indicative Annual Tuition Fee is for a standard full-time load of 24 units per year. The quoted fee is a base fee that may be subject to an annual increase of up to $9 \%$ for each of the subsequent years of the program for the duration published in this prospectus. The fee covers the cost of teaching and in this prospectus. The fee covers the cost of teaching and
student support services. In the case of double degrees with Law, the Indicative Annual Tuition Fee for both programs is listed
3 Additional note for international students undertaking an Australian Year 12 qualification: you will be required to meet specific prerequisites including passing a designated English subject. Students should refer to www.satac.edu.au for more information
4 A Level results are calculated on the aggregate score from $3 \mathrm{~A} / \mathrm{H} 2$ subjects (or $2 \mathrm{~A} / \mathrm{H} 2$ and $2 \mathrm{AS} / \mathrm{H} 1$ Level subjects) or at least 2 A Level and 1 AS Level subjects from HKALE applicants, where $A=5, B=4, C=3, D=2, E=1$ for $A / H 2$ Level, and $A=2.5, B=2.0$, $C=1.5, D=1.0, E=0.5$ for $\mathrm{AS} / \mathrm{H} 1$ subjects. Score from General Paper or language subject in the applicant's first language are excluded from the calculation. A subject can only be counted once at either $\mathrm{A} / \mathrm{H} 2$ or $\mathrm{AS} / \mathrm{H} 1$ Level.
5 HKDSE results are calculated on the aggregate score of 5 subjects where $5^{*}=5,5=5,4=3,3=1$. Category $B$ and C subjects may not be used to calculate an entry score. Note: The HKDSE minimum entry requirements are subject to change. Please refer to www.international.adelaide.edu.au/ apply/admission for more information
6 Best 5 subjects excluding language subjects. Students must achieve numerical score listed above or lower, UEC grades $A 1=1, A 2=2, B 3=3, B 4=4, B 5=5, B 6=6, C 7=7, C 8=8$
7 Average of best 6 subjects
8 Best 3 subjects, excluding language and non-academic subjects
9 Best 3 subjects, excluding language and non-academic subjects. Acceptable State Board Examinations: Maharashtra, Karnataka, Andra Pradesh, Tamil Nadu
10 SAT1 Critical Reading, Mathematical and Writing aggregate score in conjunction with High School Diploma
11 The stated grade is the minimum entry grade where $1=$ TER 99 and 4=TER 66
12 Successful completion of Matayom 6 and the award of the Certification of Secondary Education. GPA on a 4 point scale where $A=4, B=3, C=2, D=1, F=0$
13 Compare average of best three subjects' final results to minimum requirement below.
14 Two subjects chosen from Biology, Chemistry, Geology, Mathematics or Physics.
15 Chemistry and one other science subject chosen from Mathematics, Physics, Biology or Geology. Mathematics and Physics an advantage.
16 Chemistry and Mathematics desirable
17 Physics an advantage
18 Streams available in Process and Product Engineering; Energy and Environment; Food, Wine and Biomolecular; and Mineral Processing
19 Two subjects: 1 from Chemistry, Mathematics or Physics, and 1 from Biology, Chemistry, Geology or Physics
20 Chemistry desirable
21 Chemistry is a prerequisite for students majoring in Chemistry; Physics and Mathematics are prerequisites for students majoring in Physics.
22 Specific selection criteria (audition) apply in addition to academic performance in year 12
23 Other selection criteria (test/oral assessment) apply in addition to academic performance
24 Other selection criteria (oral assessment) apply in addition to academic performance
25 Not all disciplines have July entry
26 A quota applies. The standard cut-off is the indicative minimum, above which, applications will be ranked according to academic merit. In addition to academic performance, other selection criteria (test/interview) may apply.
27 July entry may be available if student is eligible for advanced standing
28 Hons program available for students completing this program
29 Other selection criteria (structured oral assessment) apply in addition to academic performance
30 Other selection criteria (personal statement, clinical assessment written/oral testing, interview and two Professional referees reports) may be required in addition to academic performance
31 Availability of places is limited. There is no guarantee that places will be available in a particular year.
32 Entry available after year 11 or equivalent. Audition is also required.
33 Graduate entry only (no direct entry from year 12)

C Combined Degrees - one parchment will be issued upon completion of an agreed combination of courses within a reduced period.
D Double Degrees - two parchments will be issued upon completion of the requirements of both degree program rules.
1 Students satisfactorily completing all courses may expect to complete an academic program within the normal duration of that program
2 The Indicative Annual Tuition Fee is for a standard full-time load of 24 units per year. The quoted fee is a base fee that may be subject to an annual increase of up to $9 \%$ for each of the subsequent years of the program for the duration published in this prospectus. The fee covers the cost of teaching and in this prospectus. The fee covers the cost of teaching and student support services. In the case of double degrees with
Law, the Indicative Annual Tuition Fee for both programs is listed
3 Additional note for international students undertaking an Australian Year 12 qualification: you will be required to meet specific prerequisites including passing a designated English subject. Students should refer to www.satac.edu.au for more information
4 A Level results are calculated on the aggregate score from $3 \mathrm{~A} / \mathrm{H} 2$ subjects (or $2 \mathrm{~A} / \mathrm{H} 2$ and $2 \mathrm{AS} / \mathrm{H} 1$ Level subjects) or at least 2 A Level and 1 AS Level subjects from HKALE applicants, where $A=5, B=4, C=3, D=2, E=1$ for $A / H 2$ Level, and $A=2.5, B=2.0$, $C=1.5, D=1.0, E=0.5$ for AS/H1 subjects. Score from General Paper or language subject in the applicant's first language are excluded from the calculation. A subject can only be counted once at either $\mathrm{A} / \mathrm{H} 2$ or $\mathrm{AS} / \mathrm{H} 1$ Level.
5 HKDSE results are calculated on the aggregate score of 5 subjects where $5^{*}=5,5=5,4=3,3=1$. Category $B$ and C subjects may not be used to calculate an entry score. Note: The HKDSE minimum entry requirements are subject to change. Please refer to www.international.adelaide.edu.au/ apply/admission for more information
6 Best 5 subjects excluding language subjects. Students must achieve numerical score listed above or lower, UEC grades $\mathrm{A} 1=1, \mathrm{~A} 2=2, \mathrm{~B} 3=3, \mathrm{~B} 4=4, \mathrm{~B} 5=5, \mathrm{~B} 6=6, C 7=7, C 8=8$
7 Average of best 6 subjects
8 Best 3 subjects, excluding language and non-academic subjects
9 Best 3 subjects, excluding language and non-academic subjects. Acceptable State Board Examinations: Maharashtra, Karnataka, Andra Pradesh, Tamil Nadu
10 SAT1 Critical Reading, Mathematical and Writing aggregate score in conjunction with High School Diploma
11 The stated grade is the minimum entry grade where $1=$ TER 99 and 4=TER 66
12 Successful completion of Matayom 6 and the award of the Certification of Secondary Education. GPA on a 4 point scale where $A=4, B=3, C=2, D=1, F=0$
13 Compare average of best three subjects' final results to minimum requirement below.
14 Two subjects chosen from Biology, Chemistry, Geology, Mathematics or Physics.
15 Chemistry and one other science subject chosen from Mathematics, Physics, Biology or Geology. Mathematics and Physics an advantage.
16 Chemistry and Mathematics desirable
17 Physics an advantage
18 Streams available in Process and Product Engineering; Energy and Environment; Food, Wine and Biomolecular; and Mineral Processing
19 Two subjects: 1 from Chemistry, Mathematics or Physics, and 1 from Biology, Chemistry, Geology or Physics
20 Chemistry desirable
21 Chemistry is a prerequisite for students majoring in Chemistry; Physics and Mathematics are prerequisites for students majoring in Physics.
22 Specific selection criteria (audition) apply in addition to academic performance in year 12
23 Other selection criteria (test/oral assessment) apply in addition to academic performance
24 Other selection criteria (oral assessment) apply in addition to academic performance
25 Not all disciplines have July entry
26 A quota applies. The standard cut-off is the indicative minimum, above which, applications will be ranked according o academic merit. In addition to academic performance, other selection criteria (test/interview) may apply.
27 July entry may be available if student is eligible for advanced standing
28 Hons program available for students completing this program
29 Other selection criteria (structured oral assessment) apply in addition to academic performance
30 Other selection criteria (personal statement, clinical assessment, written/oral testing, interview and two Professional referees reports) may be required in addition to academic performance
31 Availability of places is limited. There is no guarantee that places will be available in a particular year.
32 Entry available after year 11 or equivalent. Audition is also required.
33 Graduate entry only (no direct entry from year 12)

Advanced standing Status/credit/exemptions granted on the basis of work already completed at another post-secondary institution.
Articulation agreement A formal agreement where study at selected institutions may be counted towards University of Adelaide qualifications.
Assumed knowledge Previously acquired knowledge that will enable understanding of a course or program.
Bachelor degree An undergraduate qualification gained after a minimum of three years full-time study. A Bachelor program is made up of a range of core (compulsory) courses and elective courses, usually delivered via lectures and tutorials.
Campus The grounds of a university or other institute of higher education.
Combined degree A combined degree program allows students to complete the requirements of two degrees in less time than if the degrees were completed separately. Successful completion results in the award of a single parchment listing the combined degrees. A student may not graduate until the requirements for both degrees have been met. For example: B.Engineering/B.Arts.
Confirmation of Enrolment The document sent by the University after receipt of the tuition fee deposit. May be used as proof of student status to apply for a visa.
Core course A compulsory subject taken as part of program of study.
Course An individual subject taken as part of a program of study.

Coursework program A program of study structured around particular courses, usually delivered via lectures and tutorials.
CRICOS Commonwealth Register of Institutions and Courses for Overseas Students.
DEEWR The Department of Education Employment and Workplace Relations.
DIAC The Department of Immigration and Citizenship.

Diploma Some Schools in the University offer Diplomas, which usually consist of 1-2 years of fulltime coursework, delivered via lectures and tutorials

Discipline A field or area of study, e.g. engineering, architecture, nursing

Double degree A double degree program allows students to complete the requirements of two degrees in less time than if the degrees were completed separately. Successful completion results in the award of two degrees with separate parchments. A student may graduate from each degree as soon as the requirements for each degree have been met. For example: B. Commerce/B.Laws.

Elective course A non-compulsory subject that may be chosen as part of a program of study.
Exchange agreement An agreement between universities allowing students to undertake 1-2 semesters of their degree program at an overseas institution.

Extra admission requirements Requirements, in addition to the specified qualifications, needed for a student to be accepted into a particular program, e.g. audition, interview, portfolio submission, personal qualities assessment.
Full-time study A standard full-time study load consists of 24 units per academic year, and 12 units per semester. The University and DIAC considers a $75 \%$ study load ( 9 units per semester or trimester) a full-time load. While international students can enrol in a $75 \%$ study load, it may result in their not completing their program within the standard duration. International students are required by DIAC to complete within the specified duration of the program.
Faculty An academic branch in the University, consisting of various schools, e.g. the Faculty of Health Sciences

Honours An extra year of study after a three-year Bachelor degree program, involving a specialised research component. Four-year Bachelor programs may include an Honours component in the fourth year of study. May be used as a prerequisite for PhD or Masters studies.

IELTS The International English Language Testing System, an internationally-recognised UK-based test for English language assessment, essential for student visa requirements.

Indicative Annual Tuition Fee The annual fee quoted for a particular program, based on a standard full-time study load of 24 units per year. The actual fee charged may vary if a student overloads or underloads.

Lecture A class on a specific topic presented by a lecturer to a large group of students.
Level A stage or period (generally one year in duration) within a program of study, e.g. Level $1,2,3$. The depth and complexity of courses increases through each level.
Major Sequence A combination of approved courses leading to specialisation within a field of study, which are completed over one or more years of a degree program.
OSHC Overseas Student Health Cover, compulsory health insurance that provides basic and emergency health cover. It is an essential requirement for international students to obtain a student visa.

Part-time study Any study load that is less than $75 \%$, or 18 units a year. Note that under current student visa regulations, part-time study is not an option for international students. International students are required by DIAC to complete within the specified duration of the program.

Prerequisite A subject, course, or degree program that must be completed before a student is admitted into a particular program.
Program A series of courses making up a particular qualification, e.g. Bachelor of Commerce.
Semester The standard length of an individual course. University courses are taught in two semesters, Semester 1, from February/March until late June, and Semester 2, from July/August until November.

Seminar A small class similar to a tutorial, involving presentations by students.

TOEFL Test of English as a Foreign Language, an internationally-recognised US-based English language test.
Tutorial Small, weekly classes led by a tutor or lecturer, where students discuss issues relevant to a particular course.
Unit A value assigned to courses identifying the amount of work involved. Full time students normally undertake 24 units of study a year.

## INTERNATIONAL REPRESENTATIVES

The University appoints agents to act as its official international representatives. Agents are located within Australia and in more than forty countries around the world. These representatives are appointed to:

- provide accurate information about the University of Adelaide and its programs to prospective international students.
- advise on admission requirements and choice of programs.
- assist with verification of supporting documentation.
- assist with the processing and forwarding of the application, and the acceptance and payment, to the University.
- assist with visa application, travel, accommodation and pre-departure arrangements.

The University of Adelaide currently has international representatives in the countries shown below. A full listing of the University of Adelaide's international representatives with their contact details can be found at: www.international.adelaide.edu.au/apply/

Argentina, Australia, Austria, Bahrain, Bangladesh, Belgium, Botswana, Brazil, Cambodia, Canada, Chile, China, Colombia, Ecuador, France, Germany, Hong Kong, India, Indonesia, Iran, Japan, Jordan, Kenya, Korea (South), Kuwait, Libya, Macau, Malaysia, Mauritius, Mexico, Netherlands, New Caledonia, Oman, Peru, Philippines, Saudi Arabia, Singapore, South Africa, Sri Lanka, Syria, Taiwan, Tanzania, Thailand, United Arab Emirates, United Kingdom, United States of America, Venezuela, Vietnam

## EDUCATION SERVICES FOR OVERSEAS STUDENTS ACT

The Education Services for Overseas Students (ESOS) Act 2000 provides consumer protection to international students studying in Australia. The Commonwealth Government is committed to ensuring that students receive quality tuition, are treated fairly regarding payment of tuition fees and receiving refunds, and be offered support services to assist them to settle into Australia and complete their studies.

This law also requires that the University assist the government to check that international students comply with their visa conditions, and advise the Department of Immigration and Citizenship (DIAC) if its students breach their visa conditions.

More information is available on the University's ESOS website at www.adelaide.edu.au/esos

The University of Adelaide is a member of the Group of Eight, a coalition of Australia's leading research-intensive universities. Group of Eight Universities have nurtured all of Australia's Nobel Prize winners educated in Australia. They receive over 70\% of national competitive research grants and conduct over 60\% of all Australian university research as well as producing over $60 \%$ of Australian university research publications and twothirds of patents. The Group of Eight Universities are committed to building the intellectual, social, cultural and economic excellence of Australia's future. See: www.go8.edu.au
