TESL

Teaching English as a Second Language

TESL and the inlingua Teaching Method

Teach English in Canada or anywhere in the World. Student Teachers in training will receive the highest quality of TESL instruction during TESL Teacher Training Diploma Programs. The TESL Diploma Program includes 100 hours of intensive and comprehensive ESL methodologies, lesson planning, resources and job search skills. Student teachers also complete a 20-hour teaching practicum with ESL students from around the world who are attending our English Language Programs in Victoria. We also offer the inlingua method course that you can take after your TESL Diploma which is an intensive 2 day course to give you the skills in the inlingua method. Graduates may apply for jobs in Canada or anywhere in the world and through our inlingua network of almost 400 colleges worldwide.

Within the inlingua network we use our exclusive inlingua teaching method. The method allows students to speak English, practice the language and progress very quickly. Our materials are researched and created by our Pedagogical Department in Bern, Switzerland. Over 500,000 students learn English and other languages with us every year at inlingua campuses worldwide. The materials are constantly updated to stay abreast of developments in the teaching field worldwide.

Graduate with a **PROFESSIONAL TESL Diploma** that will **OPEN Doors Worldwide**
