At USQ, we realise that, as an individual, you have your own unique goals and aspirations. That is why we remain flexible to your needs, whatever they may be.

You can choose to study on-campus in Australia, by distance education, off-shore with one of USQ's education partners, or a custom-built combination of all these options. With flexible program structures and passionate staff, our goal is your success.

Why study with USQ?

- Your employment prospects will be enhanced by our career-orientated programs which focus on practical experience, rather than mountains of theory. Our internationally recognised programs meet the accreditation requirements for a number of professional associations.
- You can study whenever you like with our flexible programs and different modes of study. Tailor your enrolment to suit your personal, work and travel needs.
- You will receive personal attention and support from lecturers and tutors, due to our low on-campus student-to-lecturer ratio and small class sizes.
- You will be studying in a safe and friendly environment with modern facilities and a low cost of living.
- You will learn from experienced and highly qualified academics, recognised throughout the world for their excellence in teaching.
- You can apply for credit for the study you have already completed. We will individually assess your academic documents to see if you are able to receive credits and fast-track your program.

WHERE IS USQ?

We have three main campuses in Queensland, Australia.

Studying on-campus, you can soak up all the atmosphere of university life and learn alongside students from Australia and around the world.

TOOWOOMBA

With a population of approximately 100 000, Toowoomba is Australia's second largest inland city. The beautiful, tree-lined city sits on the crest of the Great Dividing Range, around 700 metres above sea level, and in the past 10 years has twice been voted Australia's best city to live in. The city has a low cost of living, pleasant surroundings, clean air and a safe, friendly atmosphere.

SPRINGFIELD

Springfield, situated in Brisbane's South-Western corridor 26km from Brisbane's CBD, is easily accessible from the Gold Coast. USQ Springfield is purpose-built inside Education City, which is planned to be Australia's largest learning community. The precinct includes modern accommodation and amenities on site, within walking distance of a major shopping and entertainment centre. Springfield is the ideal living location for students seeking the friendliness of a smaller community close to a metropolitan city.

USQ has been at the forefront of distance education in Australia for over 25 years. With approximately 75% of our students studying off-campus, we know how to support our distance students. We will make sure that wherever you are, and whatever you study, you receive the support you need to succeed in your studies.

WHAT IS DISTANCE EDUCATION LIKE?

As a distance education student, the curriculum, textbooks, and methods of assessment are no different to those received by on-campus students in Australia. The only real difference is that most of the contact with your teachers will be written or electronic, rather than face-to-face. You won't be required to attend lectures at set times and you won't miss lectures because of unexpected commitments to your job or family. You can study at the times that suit you.

WHY STUDY BY DISTANCE EDUCATION?

**You can gain the same degree** with the same lecturers as on-campus students.

You can study with the knowledge that **you are learning from a University that has received multiple awards** for its online and distance education services and programs.

You can study from anywhere in the world, **it doesn't matter where you are.**

**You can vary the number of courses you take** each semester to suit your lifestyle and circumstances.

**You can study part of your degree by distance and part on-campus** if your situation changes.

**You can study through a USQ Education Partner** in your area, who will provide services and tutorials to support your studies.

**You don't have to compromise** on your other life commitments, such as work, family or travel.
