# ILSC University Pathway Program

*The University Pathway Program will help you gain entrance into a college, TAFE or university in North America or Australia and prepare you for academic success once there.*

Upon arrival at ILSC, you will receive academic counselling to assess your English level and discuss your career and educational aspirations. Based on your level, needs and interests, you and your counsellor will create a study schedule to meet your personal objectives.

Each month, your teacher will assess your progress to ensure success. With the language and study skills you gain through the University Pathway Program, you will have a strong foundation for achieving success in a post-secondary program.

---

## What does the University Pathway Program offer YOU?

**1** Direct transfer to our partner institutions upon successful completion of the University Pathway Program

**2** Preparation for academic success in a college, TAFE or university, including:

- English preparation and necessary post-secondary skills preparation, such as lecture comprehension, note-taking, research skills, academic discussion skills.

**3** Conditional acceptance to university/college/TAFE

- Use your ILSC letter of acceptance and the conditional letter of acceptance from your chosen partner school to apply for a longer study permit.

**4** FREE Academic Counselling

- Support with researching program options
- Support processing school applications
- Follow up with the partner school
- On-going assessment and support as you progress through the Pathway program

**5** FREE Cultural Counselling

- Support in many languages
- Additional academic support
- Counselling on all aspects of the student's life abroad while studying at ILSC

TRANSFERRING FROM THE UNIVERSITY PATHWAY PROGRAM TO DOUGLAS COLLEGE

---

# Course Descriptions

**ACADEMIC PREPARATION**—Designed to help you pursue further academic studies in English, this course will strengthen your reading and writing skills. You'll improve your grammar usage and build your vocabulary by exploring academic topics.

**IELTS PREPARATION**—IELTS is the most popular test of English proficiency worldwide. This course will prepare students to take the 'General' or 'Academic' IELTS exams. Focus on developing the skills needed to increase your test scores.

**TOEFL ADVANCED**—The TOEFL test measures your ability to use and understand English at the university level. It evaluates how well you combine your listening, reading, speaking and writing skills to perform academic tasks. Focus on developing the skills to increase your test scores.

**UNIVERSITY PREPARATION**—University Preparation focuses on the skills needed to succeed in college or university including essay writing, lecture comprehension, note taking, research and academic discussion skills.

**ACADEMIC SPEAKING AND LISTENING**—Students develop the speaking skills to participate effectively in academic classes and discussions, as well as to develop effective presentation skills.

**IELTS MASTERY**—IELTS Mastery is offered in Australia at 5 levels (from 5.5 – 7.5), each designed to help students target and achieve a specific IELTS level. The purpose of the IELTS Mastery program, which is offered in the full-time schedule, is to prepare students for the Academic version of the IELTS (International English Language Testing System) exam. It covers all four test modules; Listening, Academic Reading, Academic Writing, and Speaking. This course gives students the opportunity to specifically target each macro-skill, as well as develop grammar, academic vocabulary and writing skills in order to obtain their target IELTS band score. Achieving a specific target level in the IELTS Mastery program can be used for seamless entry into ILSC's UPath partner schools. No IELTS exam is required.

**ACADEMIC VOCABULARY**—Intensive reading, speaking and writing activities help build the formal vocabulary needed for university and college study.

**GRAMMAR COMPETENCY AND GRAMMAR PROFICIENCY**—Grammar courses improve usage of standard English grammar at the high-intermediate to advanced level.

**PUBLIC SPEAKING**—Master the skills for effective public speaking. Learn speech organization, delivery techniques and listening skills. Build your fluency and confidence presenting in a group setting. Public Speaking is an excellent way to push your English skills to the next level.

**VOCABULARY PROFICIENCY**—Intensive reading, speaking and writing activities help build formal and informal vocabulary at the advanced level.

**READING COMPETENCY AND READING PROFICIENCY**—These courses will improve your reading skills in the classroom and in the computer lab. Read a novel accompanied by a CD, take part in a literature circle and compare a film version to the written word. An exciting and modern approach to reading!

**PRONUNCIATION ACCENT REDUCTION**—Practice and refine all aspects of pronunciation including: Sound, intonation, stress and mechanics. At the upper level, develop fluent and comprehensible speech through identification and correction of specific pronunciation weaknesses through diagnostic testing, teacher feedback, peer evaluation and self-monitoring.

**LISTENING**—Build comprehension of spoken language by practising listening activities taken from daily social and academic situations.

**TOEFL SPEAKING**—Designed to improve test scores on the Speaking section of the TOEFL iBT exam through extensive practice using the latest testing materials in the classroom and in the computer lab. This course can be taken in combination with TOEFL Advanced.

**WRITING**—Practise writing daily, learning correct language structure and writing techniques for diverse genres and audiences. Learn the secrets of writing excellent essays.

# Studying in Canada

## HOW TO DECIDE WHAT'S BEST FOR YOU

### 1. What are your long-term goals?

- ❑ What are your future career goals?
- ❑ What are the job opportunities available to you when you complete your program?
- ❑ How much money would you like to make?
- ❑ Do you want to open up opportunities for working or living abroad?

### 2. Establish your priorities—what is important to you?

- ❑ Cost
- ❑ Length of Program
- ❑ Location
- ❑ Reputation of school

### 3. Choose your area of studies (i.e. Science, Business, Arts)—if you can't decide, think about your:

- ❑ Personal interests
- ❑ Strengths and weaknesses
- ❑ Talents

#### British Columbia Council for International Education (BCCIE)

The BC Council for International Education (BCCIE) is a learner-driven, non-government agency funded by the province of British Columbia (BC). It represents the province's public and accredited private K–12, post-secondary, career college and language institutions to international learners around the world. BCCIE is currently supporting the Pathway Pilot Project, which enables international students a transparent point of access from Pathway language schools into select university degree programs at a Pathway university.

International Language Schools of Canada is proud to be part of the BCCIE Pathway Pilot Project in its province-wide initiative to make post-secondary education more accessible for international students. See [www.bccie.bc.ca](http://www.bccie.bc.ca) for more information.

## UNDERSTANDING DIFFERENT TYPES OF SCHOOLS, PROGRAMS AND QUALIFICATIONS

	COLLEGE	UNIVERSITY
<b>PROGRAM TYPES &amp; LENGTH OF PROGRAM</b>	<ul style="list-style-type: none"> <li>• Certificates (8 months–1 year)</li> <li>• Diplomas (2 years)</li> <li>• Advanced Diplomas (3 years)</li> <li>• Applied Bachelor's degrees (4 years)</li> <li>• Post-graduate certificates (1 year)</li> </ul> <p>Other types of programs available at some colleges only:</p> <ul style="list-style-type: none"> <li>• University Transfer (2 years)—spend up to 2 years in a college and transfer directly into 3rd year at a university</li> </ul>	<ul style="list-style-type: none"> <li>• Bachelor's degrees (4 years)</li> <li>• Master's degrees (1–2 years)</li> <li>• Doctoral degree (PhD) (4 years)</li> <li>• Certificates (offered by some universities: 1–2 years)</li> </ul>
<b>COST</b>	College tuition is usually more affordable than university, although some specialized programs may cost more.	University tuition is usually more expensive than college.
<b>OPPORTUNITIES DURING YOUR STUDIES</b>	<p><b>Work while you study*</b></p> <p>Students are typically able to apply for on-campus jobs during the first 6 months of their studies, and may apply for an off campus work permit for the remainder of their studies. Some programs also offer co-op options, or have co-op integrated right into the program.</p>	
<b>OPPORTUNITIES AFTER GRADUATION</b>	<p><b>Work in your home country</b></p> <p>Secure a position in an industry related to your studies. Your international education and language experience will open up opportunities to work in positions with an international focus.</p> <p><b>Work in Canada for 1–3 years after you graduate with a Post Graduate Work Permit.*</b></p> <p>The length of a Post Graduate Work Permit varies according to the length of your study. Apply your new skills in the Canadian work place.</p> <p><b>Apply for Permanent Resident status in Canada*</b></p> <p>Depending on the length of your program and where you studied, you may be able to apply for Permanent Resident status in Canada after 1 year of post graduate work. Receive PR usually within 3–12 months.</p>	

\*All work permit and permanent residence information is subject to change, and may vary among provinces. Visit the Citizenship & Immigration Canada (CIC) website for current information: [www.cic.gc.ca/english/department/media/multimedia/video/becoming\\_canadian/students/students.asp](http://www.cic.gc.ca/english/department/media/multimedia/video/becoming_canadian/students/students.asp)

## TYPICAL PROGRAM ENTRY REQUIREMENTS\*

PROGRAM TYPE AND LENGTH	MINIMUM PRE-REQUISITES	MINIMUM GPA
<b>Certificates (8 months–1 year)</b>	High school diploma	Minimum GPAs vary depending on the school, program choice, and on overall enrollment. Please see the individual partner school pages for more details.
<b>Diplomas (2 years)</b>	High school diploma	
<b>Advanced Diplomas (3 years)</b>	High school diploma	
<b>University Transfer</b>	High school diploma	
<b>Bachelor's degrees (4 years)</b>	High school diploma	
<b>Post-graduate certificates</b>	College diploma or bachelor's degree or work experience (high school diploma may be accepted for mature students only)	
<b>Master's degree (1–2 years)</b>	Bachelor's degree	
<b>Doctoral degree (PhD) (1–4 years)</b>	Master's degree	

\*ILSC's University Pathway program supports students to meet the language requirement for entry into our partner schools. Additional entry requirements apply, and vary by school and program.

**IMPORTANT INFORMATION**

**Start dates:** September, January, May

**International students tuition fees (per year):** \$14,136

**Estimated cost of books & supplies (per year):** \$1,000

**Additional estimated cost (per year):** \$10,000

All fees are in Canadian dollars.

**ADMISSION REQUIREMENTS**

**GPA:** High school graduation, open enrolment

**Language:** ILSC University Pathway Certificate

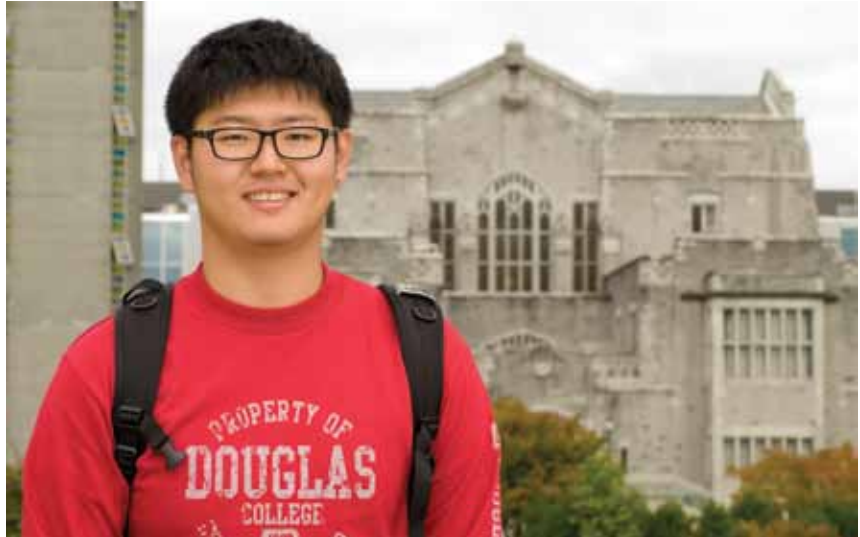

**PROGRAMS OF STUDY****BUSINESS**

**BACHELOR'S DEGREE, UNIVERSITY TRANSFER, ASSOCIATE DEGREE, DIPLOMA, CERTIFICATE**

Duration: 1–4 years

- Accounting
- Auditing
- Business Management
- Controlling
- Economy
- Financial Analyzing
- Financial Planning
- Hotel Management
- IT Specialty
- Marketing
- Restaurant Management
- Software Development

Additional prerequisites: High school diploma from your country; minimum 60% in Math 11

**LANGUAGE, LITERATURE & PERFORMING ARTS**

**UNIVERSITY TRANSFER, ASSOCIATE DEGREE, DIPLOMA**

Duration: 1–2 years

- Acting
- Creative Writing
- Communications
- Directing and Editing
- Education
- Event Management
- Lighting Technician
- Music
- Public Relations Writing
- Publishing
- Scenic Artist
- Screen Writing
- Set Design
- Theatre Directing

Additional prerequisites: High school diploma from your country; minimum 65% in Math 11

**HUMANITIES & SOCIAL SCIENCES**

**UNIVERSITY TRANSFER, ASSOCIATE DEGREE, DIPLOMA**

Duration: 1–2 years

- Anthropology
- Archeology
- Career Counselling
- Cartography
- Criminology
- Foreign Services
- History
- Journalism
- Lawyer
- Media Advisor
- Philosophy
- Psychology
- Public Affairs
- Sociology
- Teaching
- Urban Planning

Additional prerequisites: High school diploma from your country; minimum 65% in Math 11

**SCIENCE & TECHNOLOGY**

**UNIVERSITY TRANSFER, ASSOCIATE DEGREE, DIPLOMA**

Duration: 1–2 years

- Astrophysics
- Bacteriology
- Biology
- Ecology
- Engineering
- Environmental
- Forensic Science
- Geochemistry
- Geology
- Kinesiology
- Laboratory Technics
- Mathematics
- Marine Biology
- Meteorology
- Microbiology
- Nuclear Physics

Additional prerequisites: High school diploma from your country; minimum B average in 2 Grade 12 science courses and Math 12

*Douglas was a great choice for me because of the diversity and flexibility of their course selection. From here I am going to Simon Fraser University to complete my bachelor's degree as my goal is to work in forensic psychology.*

## PROGRAMS OF STUDY

### ARTS

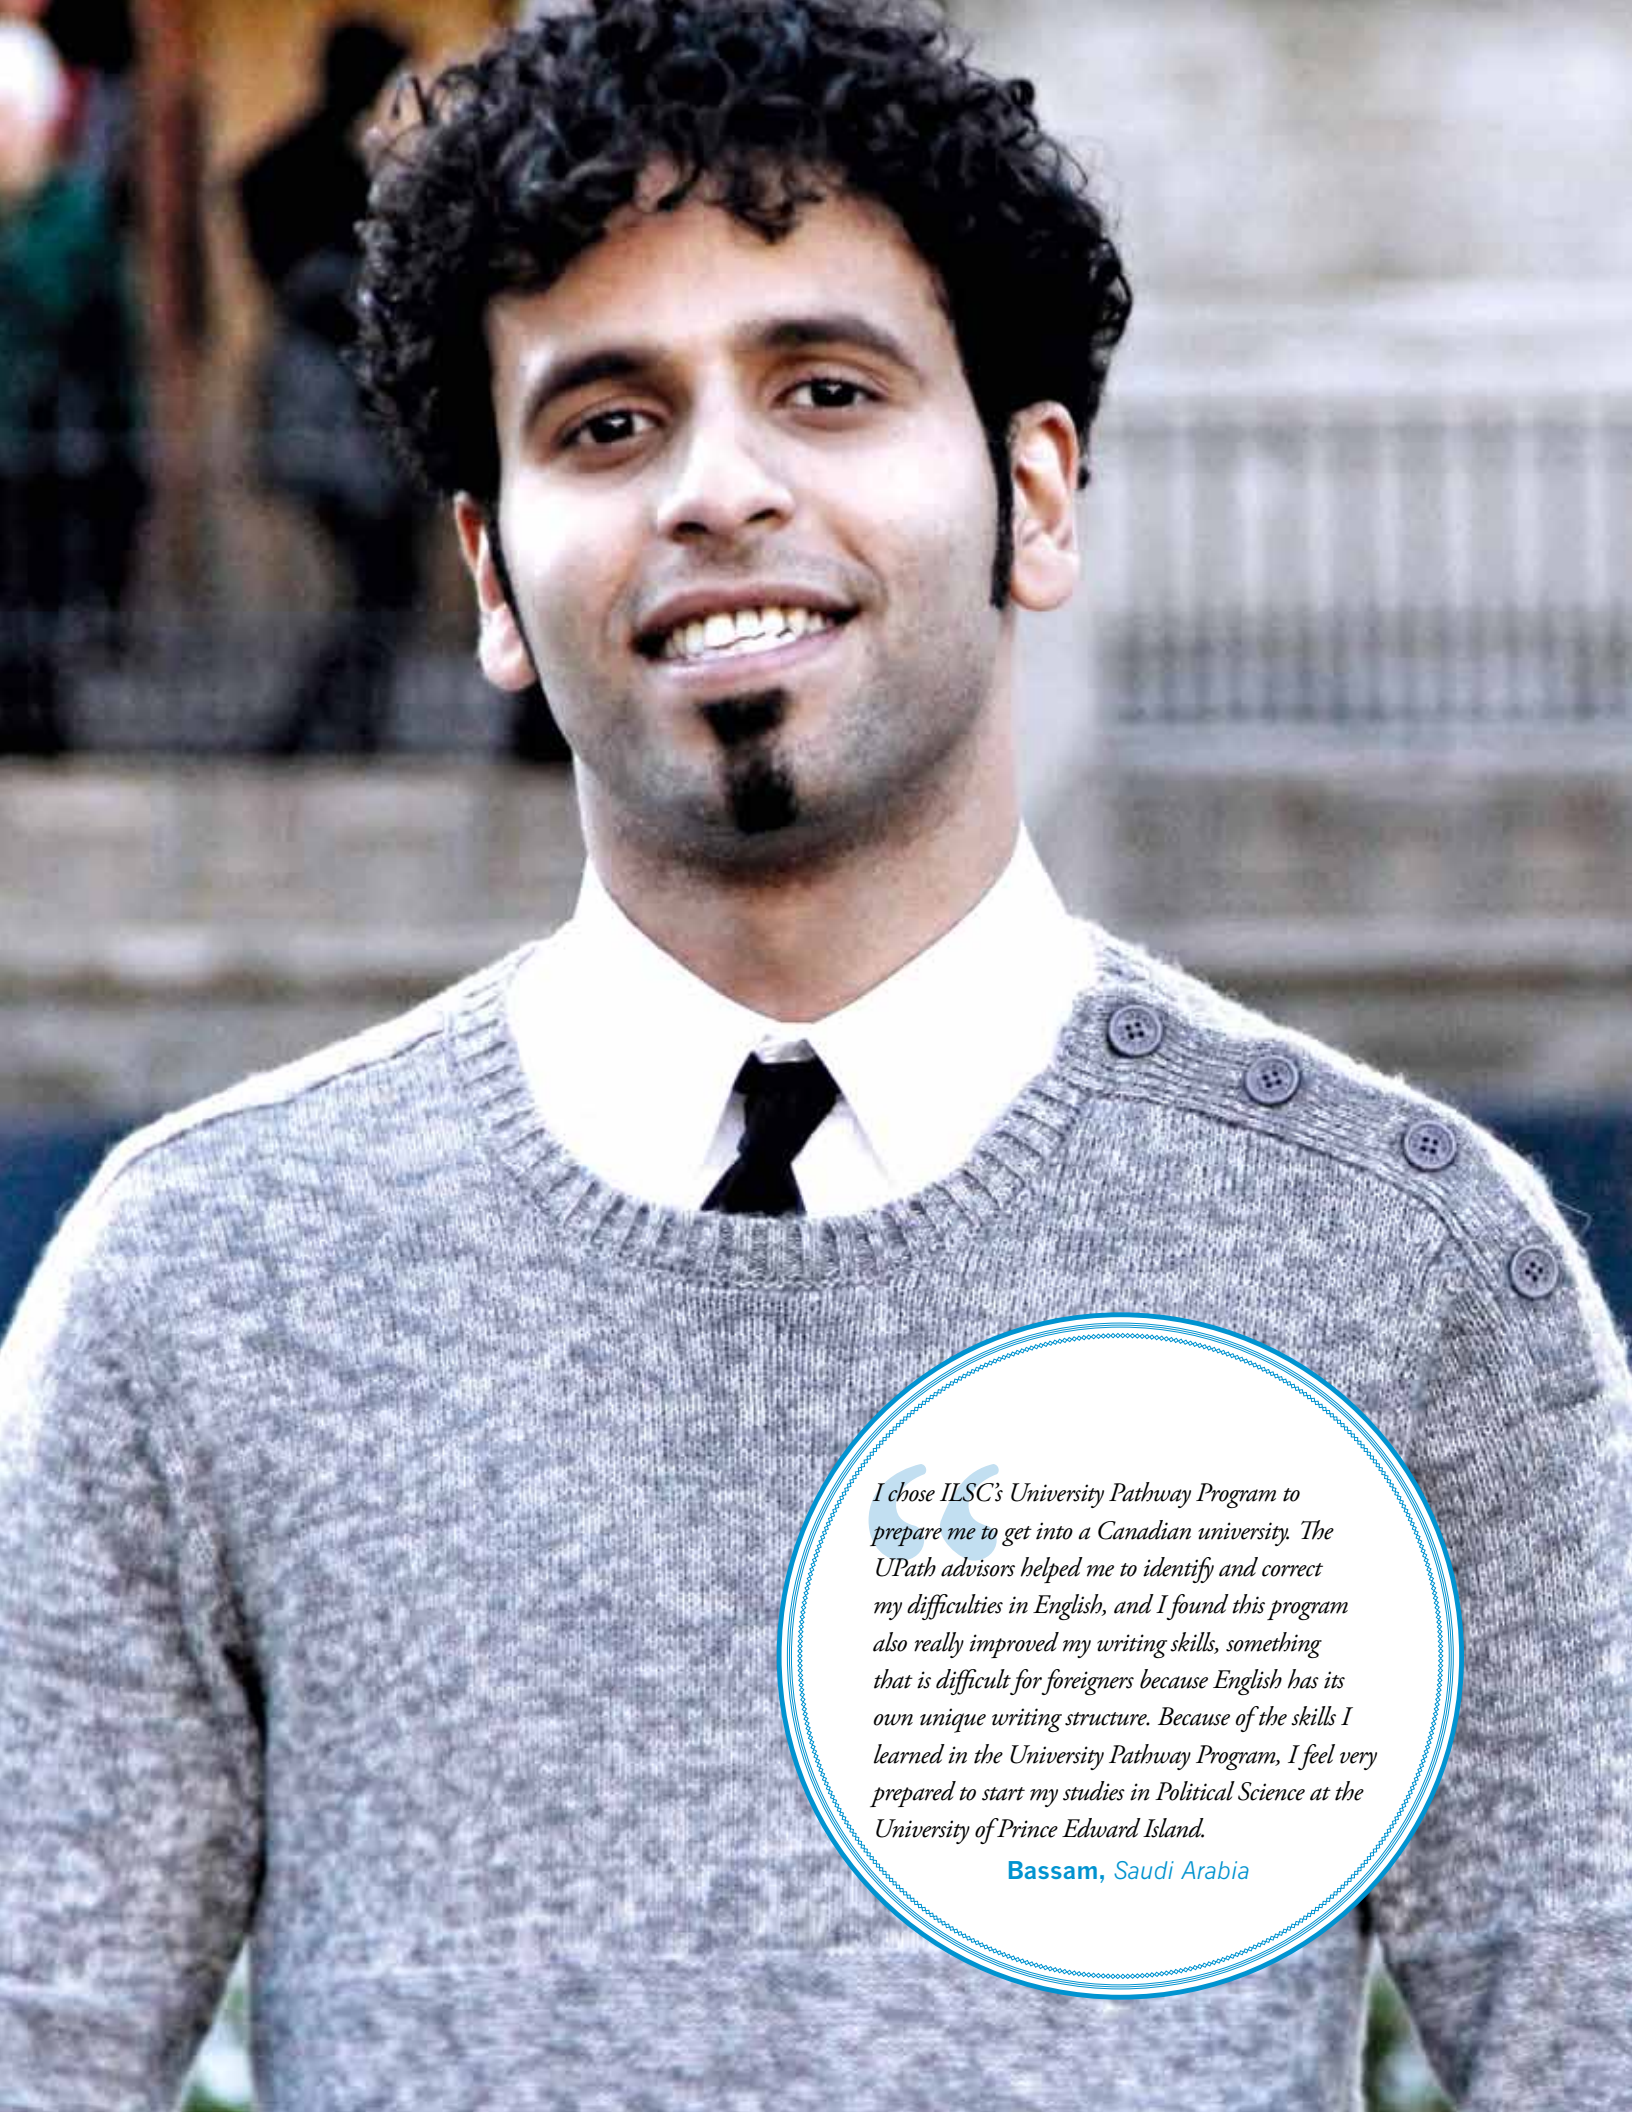

#### DIPLOMA

Duration: 1 year

- 2D/3D Animation
- Fashion Marketing
- Graphic Design
- Interior Design
- Jewelry Design

Duration: 1.5 years

- Fashion Design

I chose ILSC's University Pathway Program to prepare me to get into a Canadian university. The UPath advisors helped me to identify and correct my difficulties in English, and I found this program also really improved my writing skills, something that is difficult for foreigners because English has its own unique writing structure. Because of the skills I learned in the University Pathway Program, I feel very prepared to start my studies in Political Science at the University of Prince Edward Island.

## THOMPSON RIVERS UNIVERSITY

Nowhere in Canada has the evolution of post-secondary education been more dramatic than in Kamloops, BC. The last two decades have seen a transition from community college to an innovative university/college, and now to a full provincial university with a unique mandate. Thompson Rivers University really is a different kind of university.

### DID YOU KNOW?

TRU is currently building a modern, \$20 million dollar Faculty of Law building which will open in Sept 2013. As well, the university is located close to canoeing, rock climbing, horseback riding and skiing activities.

## PROGRAMS OF STUDY

### SCIENCE

*I can remember so many things about TRU and my time there. I learned to improve my English with my sweet teachers. I learned how to be a team member and work with different students with different backgrounds and cultures. I know how to manage my time successfully. I am learning about Canada and Canadian culture since I am still at TRU; not only about Canada, but also about many countries.*

**Muteb, Saudi Arabia**

PRE-MBA

## UNIVERSITY OF THE FRASER VALLEY

UFV is recognized nationally for student success, an excellent learning environment, creative integration of programming, and our work with local communities. We are consistently ranked as one of the top universities in the country by the Globe and Mail's Canadian University Report.

### DID YOU KNOW?

UFV offers 15 international scholarships each year, and is the only partner school that offers Aviation programs in Western Canada, with lessons taught at the Abbotsford International Airport.

*My time at UFV was rewarding, fun, and certainly unforgettable. The small class size, the excellent teacher-student cooperation, the variety of courses, the beautiful campus, the helpful student services, the whole atmosphere made my four years at UFV an exciting adventure and left me with fond memories. UFV provided me with the best preparation for my professional as well as my academic career as a PhD in Cambridge, England.*

Duration: 12–16 months

- Business
- Human Resource Management
- Organization Leadership
- Project Management

Additional prerequisites: Undergraduate degree in business related field

#### MASTER'S DEGREE

Duration: 2 years

- Administration in Leadership
- Business Administration (Executive specialty available)
- Human Resource Management

Additional prerequisites: Undergraduate degree in business related field; GMAT score of 500; 2 reference letters

### SCIENCE

#### UNDERGRADUATE'S DEGREE

Duration: 4 years

- Biochemistry
- Biology
- Chemistry
- Computer Science
- Geology
- Mathematics
- Physics
- Statistics

Additional prerequisites: At least one Grade 12 Science, Math

#### GRADUATE'S DEGREE

Duration: 2–4 years

- Masters and PhDs in:
  - Biochemistry
  - Biology
  - Chemistry
  - Computer Science
  - Geology
  - Mathematics
  - Physics
  - Statistics

### ENGINEERING & APPLIED SCIENCE

#### UNDERGRADUATE'S DEGREE

Duration: 4 years

- Bachelor of Engineering in:
  - Electronic Systems
  - Environmental Systems
  - Industrial Systems
  - Petroleum Systems
  - Software Systems

Additional prerequisites: Grade 12 Math, Grade 12 Chemistry, Grade 12 Physics with a minimum 70% average in final high school courses

#### MASTER'S DEGREE

Duration: 2–4 years

- Master of Engineering in:
  - Electronic Systems
  - Environmental Systems
  - Industrial Systems
  - Petroleum Systems
  - Process Systems
  - Software Systems

### EDUCATION

#### UNDERGRADUATE'S DEGREE

Duration: 4 years

- Bachelor of Education

#### GRADUATE'S DEGREE

Duration: 2–4 years

- Master and PhD in:
  - Education

### HEALTH SCIENCE

#### UNDERGRADUATE'S DEGREE

Duration: 4 years

- Health Studies
- Kinesiology
- Science in Nursing (does not work with Pathways—students must apply with a minimum IELTS of 7.0 or TOEFL iBT 90)
- Sport & Recreation Studies

Additional prerequisites: At least one Grade 12 Science, Math

#### GRADUATE'S DEGREE

Duration: 2–4 years

- Master and PhD in:
  - Health Studies
  - Kinesiology

### FINE ARTS

#### UNDERGRADUATE'S DEGREE

Duration: 4 years

- Interdisciplinary Studies
- Media Production & Studies
- Music
- Theatre
- Visual Arts (includes Art History)

# ALGOMA UNIVERSITY

Algoma University is located in beautiful Northern Ontario and sits amongst the fabulous Great Lakes. Algoma University is a smaller school so students can expect to form close relationships and truly experience the Canadian lifestyle. Algoma is known for its diverse community and large number of internationally known experts. Come to Algoma if you enjoy smaller communities and want to take advantage of Canada’s wild outdoors.

### DID YOU KNOW?

Algoma University is the smallest university in Ontario, with average class sizes in the 20’s. You will never be in a class with more than 65 students, even in your first year.

*Coming to Sault Ste. Marie from my homeland Ghana, I wasn't sure what to expect. I found out right away that the people here are very friendly, and they make it easy to get involved. Since coming here, I've been involved with AMSA, worked on campus in the library and student services, and was elected to the AUSU Board of Directors. I don't think I would have had those same opportunities at a bigger school.*

# CENTENNIAL COLLEGE

Our mission is to educate students for career success. We make every decision to support the career and personal development of our learners. Our curriculum, teaching and services demonstrate that we value the diverse profiles of our learners.

Centennial College is Ontario's first community college, it was established in 1966 and primarily serves the eastern portion of the Greater Toronto Area through four campuses and seven satellite locations. Our college is best known for its record of exemplary teaching, innovative programming and extensive partnership building.

Centennial is recognized as one of the most culturally diverse post-secondary institutions in Canada. Almost 100 ethno cultural groups are represented and 80 languages are spoken on campus.

Our four campuses and eight schools produce future leaders. Let us help prepare you for career success.

At Centennial College, our vision is to transform lives and communities through learning.

# HUMBER COLLEGE

Humber College Institute of Technology & Advanced Learning is one of the biggest largest and most dynamic colleges in Ontario. With an international reputation for quality programs and academic excellence, Humber serves more than 3,200 international students from more than 95 different countries. Humber’s award-winning and industry-connected faculty teaches in state-of-the-art classrooms and laboratories. Students graduate with the credentials, knowledge and skills that employer’s value.

### DID YOU KNOW?

On February 2, 2009, Humber students became the first to contact an astronaut in orbit using apparatus they built and operated. They made contact with Sandra Magnus at the International Space Station from a lab room at the school’s Rexdale campus. As well, Humber college houses one of Canada’s only anatomy labs in the Canadian college system.

### LOCATION

Toronto

### TOTAL NUMBER OF STUDENTS

22,000 full-time students and 56,000 part-time students

### INTERNATIONAL STUDENTS

2,800

### HOUSING

On-campus housing, off-campus housing website and homestay services

### APPLICATION DEADLINE

At least 3 months before the start of classes

Duration: 1–2 years

- Alternative Dispute Resolution
- Event Management
- Fashion Management and Promotions
- Financial Planning
- Fundraising & Volunteer Management
- Global Business Management
- Human Resources Management
- Marketing Management
- Public Administration
- Supply Chain Management

Additional prerequisites: Undergraduate degree

# LAKEHEAD UNIVERSITY

Lakehead University is one of Canada’s smaller universities which treats students as individuals, inviting them into a community that values exploration and adventure in and outside the class. Technologically advanced and sensitive to student needs, Lakehead has two campus locations; one in Thunder Bay, Ontario with Lake Superior and the boreal forest on its doorstep, and the other in Orillia, Ontario in the heart of central Ontario’s cottage country. The Thunder Bay campus offers comprehensive programs in ten faculties: Business Administration; Education; Engineering; Graduate Studies; Health and Behavioural Sciences; Law; Medicine; Natural Resources Management; Science and Environmental Studies; and Social Sciences and Humanities. To enable students to leverage their many interests, Lakehead University’s program offerings at the Orillia Campus are multidisciplinary. Ideal for students who have broader career interests and aptitudes, a multidisciplinary degree program provides a flexible structure that allows for easy selection of pre-professional program requirements, along with subjects that are of greatest personal interest. The Orillia Campus has been built to LEED (Leadership in Energy and Environmental Design) standards for environmental sustainability and immerses students in a campus environment that demonstrates and promotes awareness of the principles of resource conservation, sustainable growth and the protection of the natural environment. Lakehead University offers unique learning opportunities for students in both cutting edge lab facilities and unparalleled outdoor lab environments.

**DID YOU KNOW?**

In 2006, Research Infosource Inc. named Lakehead University Canada’s Research University of the Year in the undergraduate category.

**LOCATIONS**

# LAURENTIAN UNIVERSITY

Laurentian University is proud to be one of only two bilingual universities in Canada! Deeply rooted in northern Ontario, in the city of Sudbury, Laurentian University is culturally diverse and proud of its roots. Laurentian is a perfect choice for students who want an internationally recognized post-secondary education and experience life on the famous Canadian Shield.

### DID YOU KNOW?

Laurentian University is the only medical school in Canada (Northern Ontario School of Medicine) to see 100% of its medical graduates granted their first selection for residency programs.

**IMPORTANT NOTE:** For graduate programs at Laurentian University, student applications are sent to the school only after students have completed the UPath program at ILSC. This means the student's application will not be assessed by Laurentian prior to attending ILSC and conditional acceptance cannot be offered for Graduate programs. Graduate programs are competitive and acceptance will be determined based on GPA, supporting documents, and the number of available spaces in the program.

# SHERIDAN COLLEGE

Sheridan delivers career-focused education and training across a wide range of disciplines to 15,000 full-time students annually at its campuses in Oakville and Brampton, Ontario. Our programs blend theoretical and hands-on learning, and most offer a co-op, field placement or internship opportunity to prepare you with relevant work experience before you graduate. A Sheridan education offers numerous benefits.

### DID YOU KNOW?

Sheridan College is ranked number 1 in Animation in North America. Graduates of Sheridan College’s Animation program go on to work at Pixar, Disney, and other major companies.

### LOCATIONS

4 campuses in Ontario, including 2 in Oakville, 1 in Brampton, and 1 in Mississauga

### TOTAL NUMBER OF STUDENTS

16,000

### INTERNATIONAL STUDENTS

2,300

### HOUSING

Some campuses have student residences; college supplies a housing registry to assist students in finding off-campus housing

### APPLICATION DEADLINE

6–7 months before desired start date

*I come from Brazil and I’m currently attending the Project Management post-graduate program at Sheridan College, and so far it has been an absolutely wonderful experience. I thoroughly enjoy my time at the college and I’m really glad I’ve chosen this course as part of my international experience. The education I receive is very practical in the real business world, the instructors are prepared and motivated, and the environment is just great. I highly recommend Sheridan College to anyone looking at starting a professional career in business in Canada.*

# UNIVERSITY OF ONTARIO INSTITUTE OF TECHNOLOGY

The University of Ontario Institute of Technology (UOIT) advances the discovery and application of knowledge through a technology-enriched learning environment and innovative programs responsive to the needs of students, and the evolving 21st-century workplace. With more than 9,200 undergraduate and graduate students enrolled in 70 programs delivered by exceptional faculty, UOIT promotes social engagement, fosters critical thinking and integrates outcomes-based learning experiences inside and outside the classroom. UOIT's commitment to accelerating economic growth and social innovation is realized through research collaborations with leading organizations such as Ontario Power Generation, The Hospital for Sick Children (SickKids) and the Durham Regional Police Service. UOIT will mark its 10th anniversary on September 4, 2013.

# LASALLE COLLEGE-MONTRÉAL

## ATTENDING A COLLEGE OR UNIVERSITY IN QUEBEC

The Province of Quebec has a unique educational system that differs from the rest of Canada. In the Quebec system, secondary school goes to Grade 11. Students can then choose from a variety of different post-secondary qualifications which will lead them directly into the work force, or into a University level program.

**Important Note: Before starting a post-secondary program, all students wishing to study in Quebec must take an entry English test. This test is mandated by the Quebec government, and does not affect a student's acceptance.**

## CERTIFICATIONS IN QUEBEC

### DCS/DEC—Diploma of College Studies/ Diplôme d'études collégiales

A DCS/DEC is a degree issued by the Quebec Ministry of Education, Recreation and Sports after a student has successfully completed an approved college education program. There are two types of DCS/DEC's

- 1) Pre-university Diploma of College Studies: A two year program, roughly equivalent to Grade 12 + the first year of an associate's degree. Students wishing to go on to a university education should begin with a pre-university Diploma of College Studies.
- 2) Technical Training Programs: Three years in length for a total of six sessions, these programs allow students to directly access the work place. In some cases, students who complete a Technical Training Program may choose to pursue university level studies.

### ACS/AEC—Attestation of College Studies / Attestation d'études collégiales

AEC programs are part of continuing education and are destined primarily for adults who wish to add value to their skill set or reorient their career. Based on DEC program curricula, AEC programs do not have general education courses like French, English or Philosophy. AEC's are generally more flexible than DEC or DEP programs. Often offered during the evening, flexible class times allow students to maintain their professional endeavors and study at the same time.

### DVS/DEP—Vocational Diploma / Diplôme d'études professionnelles

A DEP program can last anywhere from 600 to 1800 hours and prepares students to train in a profession to directly enter the job market. A DVS/DEP can lead into a Technical Training Program (DCS/DEC), but typically it is geared to get you straight into the workforce.

### Bachelor's Degree

In Quebec, a Bachelor's Degree takes a minimum of 3 years to complete. Students must typically complete a pre-university Diploma of College Studies (DCS/DEC) before taking a bachelor's degree, or in some cases, may enter a bachelor's degree program after completing a Technical Training Program or DVS/DEP.

### Master's Degree or Doctor's Degree

Graduate Degrees work similarly to other provinces in Canada, and students must have a bachelor's degree to apply.

## LOCATION

Montréal

## TOTAL NUMBER OF STUDENTS

6,048

## INTERNATIONAL STUDENTS

975

## HOUSING

Student residences, college apartments, furnished 2-room apartments

## APPLICATION DEADLINE

## DID YOU KNOW?

Students in the 3rd year of the Fashion Design program plan, design and run a fashion show for hundreds of guests.

## PROGRAMS OF STUDY

### BUSINESS & IT

#### DEC

Duration: 3 years

- Accounting and Management Technology
- Business Management
- Insurance and Financial Advisory Services

Additional prerequisites: Good average in Grade 10 +

- Computer Science—Administrative Data Processing
- Computer Science—Network Management

Additional prerequisites: Good average in Grade 11 +

#### AEC

Duration: 4 months

- CISCO Network Administrator
- Immigration Consultant\*
- IP Telephony Development
- Microsoft Certified System Administrator

Duration: 8 months

- Development for Web 2.0 with RIA (C#, Silverlight, Flex, Ajax)
- International Commerce Import-Export (FITT)
- Real-Estate Evaluator/Estimator\*
- Residential Real Estate Broker\*
- SME Accounting

Duration: 1 year

- Graphic Design
- Information Technology Programmer-Analyst
- Multimedia Integration
- Network Management (CISCO and Microsoft)
- Operations and Production Management
- Oracle Administration and Development Applications
- Video Game 3D Modeling

Duration: 1.5 years

- Administrative Assistant (Only offered online)

Duration: 3 years

- Accounting and Management Technology
- Business Management
- Insurance and Financial Advisory Services

\*Please note that international students will not get the license unless they are permanent residents

### HUMANITIES & SOCIAL SCIENCES

#### DEC

Duration: 3 years

- Double DEC Social Sciences and Creative Arts
- Early Childhood Education\*
- Social Sciences: Global Vision
- Special Care Counselling

Additional prerequisites: Good average in Grade 10 +

Special Care Counselling: letter of motivation or questionnaire

\*Please note that if the student studies in English, the final exam to graduate will be in French. So student will need to learn some French during his studies

#### AEC

Duration: 2 years

- Early Childhood Education

### HOSPITALITY & TOURISM

#### DEC

Duration: 3 years

- Food Service Management
- Hotel Management Techniques
- Tourism Techniques

Additional prerequisites: Good average in Grade 10 +

Food Service Management: Letter of motivation or questionnaire

#### AEC

Duration: 8 months

- Travel Agent
- Wine and Bar Services Management

Duration: 1 year

- Hotel Lodging Management

# Studying in the USA

## HOW TO DECIDE WHAT'S BEST FOR YOU

### 1. What are your long-term goals?

- What are your future career goals?
- What are the job opportunities available to you when you complete your program?
- How much money would you like to make?
- Do you want to open up opportunities for working or living abroad?

### 2. Establish your priorities—what is important to you?

- Cost
- Length of Program
- Location
- Reputation of school

### 3. Choose your area of studies (i.e. Science, Business, Arts)—if you can't decide, think about your:

- Personal interests
- Strengths and weaknesses
- Talents

## ALLIANT INTERNATIONAL UNIVERSITY

Alliant International University, a private not-for-profit WASC-accredited institution, prepares students for professional careers of service and leadership in psychology, education, business, law and forensics. Alliant is committed to the discovery and application of knowledge to improve the lives of people in diverse communities around the world.

### DID YOU KNOW?

Alliant students contribute more than one million hours of community service each year through internships, field placements and service learning projects. Moreover, Alliant's California School of Professional Psychology (CSPP) has trained nearly half of the practicing psychologists in California.

#### IMPORTANT INFORMATION

**Start dates:** August, January, June

**International students tuition fees (per year):**  
\$410–\$1,030/unit

**Estimated cost of books & supplies (per year):**  
\$1,675 for undergraduate degree programs  
\$2,100 for graduate degree programs (excluding certificate programs)

**Additional estimated cost (per year):**  
\$10,620 for undergraduate degree programs  
\$22,400 for graduate degree programs

All fees are in United States dollars.

#### ADMISSION REQUIREMENTS

Fresno; Hong Kong; Irvine; Los Angeles; Mexico City; Sacramento; San Diego; San Francisco; Tokyo

#### TOTAL NUMBER OF STUDENTS

422 undergraduate students  
3,462 graduate students

#### INTERNATIONAL STUDENTS

312 undergraduate students  
303 graduate

#### HOUSING

Housing is available on San Diego campus

#### APPLICATION DEADLINE

Most programs have rolling year-round admissions (August, October, January, March, June, July)

*Alliant makes things easier for foreign students. We are few students in class which allows us to ask questions and feel more comfortable. Moreover, my schedule is well-adapted to my way of life which allows me to have free time to enjoy my life here. Overall, I think this experience is very constructive and I definitely advise people to do the same if they have the opportunity.*

INTERNATIONAL BUSINESS ADMINISTRATION

## PROGRAMS OF STUDY

### BUSINESS & MANAGEMENT

#### BACHELOR'S DEGREE

Duration: 2–4 years

- **Bachelor of Business Administration in:**
  - Finance
  - Information Systems and Technology Management
  - Integrated Marketing Communications
  - International Business Administration
  - International Relations
  - Management
  - Social and Professional Media

#### MASTER'S DEGREE

Duration: 2 years

- **Master of Business Administration in:**
  - Entrepreneurship
  - Finance
  - Information and Technology Management
  - International Marketing

Additional prerequisites: GMAT or GRE

### FORENSICS

#### BACHELOR'S DEGREE

Duration: 2–4 years

- **Bachelor of Criminal Justice in:**
  - Public Safety and Security
  - Victim Services

#### MASTER'S DEGREE

Duration: 2 years

- **Applied Criminology**

Additional prerequisites: Personal essay; current résumé  
GPA 3.0

### EDUCATION

#### BACHELOR'S DEGREE

Duration: 2–4 years

- **Child Development**
- **Liberal Studies**

#### MASTER'S DEGREE

Duration: 2 years

- **Educational Administration**
- **Educational and School Psychology**
- **Education: Teaching**
- **TESOL**

Additional prerequisites: Personal essay

GPA 2.5

#### GRADUATE CERTIFICATE PROGRAMS

Duration: 1 year

- **School-Based Mental Health Neuropsychology**

Additional prerequisites: Two recommendations;  
successful interview

GPA 2.5

### PSYCHOLOGY, COUPLE AND FAMILY THERAPY & MENTAL HEALTH

#### BACHELOR'S DEGREE

Duration: 2–4 years

- **Psychology**

#### MASTER'S DEGREE

Duration: 2–3 years

- **Clinical Counseling**
- **Clinical Psychology**
- **Counseling Psychology**
- **Industrial-Organizational Psychology**
- **Marital and Family Therapy**
- **Organizational Behavior** (weekend program)
- **Organizational Psychology**
- **Psychology: Marriage and Family Therapy and Art Therapy**

Additional prerequisites: Personal essay

GPA 3.0

#### GRADUATE CERTIFICATE PROGRAMS

Duration: 1 year

- **Applied Behavior Analysis**
- **Art Therapy**
- **Chemical Dependency**
- **Gerontology**
- **Infant-Preschooler Mental Health**

## CAÑADA COLLEGE

Cañada College is located in Redwood City in the foothills of the Santa Cruz Mountains on the edge of Silicon Valley between San Jose and San Francisco. The College is a two-year public community college accredited by the Western Association of Schools and Colleges, a recognized agency of the Federation of Regional Accreditation Commission of Higher Education. The College features new computer and science labs. The Library and Learning Center include state-of-the-art technology with more than 5000 books and journals both onsite and online. Cañada's smaller size, 5000 students, provides a friendly learning environment. At the completion of an associate degree, international students are highly encouraged to transfer to a four year university to pursue a higher degree. Our international students who complete the associate degree can also stay on the Cañada College campus to complete their bachelor degree through one of our University Center programs offered by our four-year university partners.

### DID YOU KNOW?

In 2011, one of Cañada College's Engineering professors was awarded the Presidential Award for Excellence in Science, Mathematics, and Engineering Mentoring, presented by President Obama.

#### IMPORTANT INFORMATION

**Start dates:** August, January

**International students tuition fees (per year):**  
\$6,200

**Estimated cost of books & supplies  
(per year):** \$800

**Additional estimated cost (per year):**  
\$12,000

*All fees are in United States dollars.*

#### ADMISSION REQUIREMENTS

**Language:** ILSC University Pathway Certificate

**Prerequisites:** High school diploma or an equivalent from your country

#### LOCATION

**Redwood City**

#### TOTAL NUMBER OF STUDENTS

**5,000**

#### INTERNATIONAL STUDENTS

**35**

#### HOUSING

**No on-campus housing; but homestays are available**

#### APPLICATION DEADLINE

**Fall semester**

**April 15 (early admission)**

**July 1 (late admission)**

**Spring semester**

**October 15 (early admission)**

**November 15 (late admission)**

*Being a student at Cañada College is definitely a dream come true for me. Cañada opened a whole new window of opportunity for me not only as a student but also as an individual. This school gave me the chance of pursuing my higher education here in the United States, something that I considered impossible once I finished high school in my homeland of Uruguay. After completing my general education courses at Cañada, I plan on transferring to a four-year university program to study international relations. I am proud of being a student at Cañada College. All of the faculty and staff have done an amazing job in terms of helping me with my transition as an international student into the American college system.*

**Darwin, Uruguay**

## COLLEGE OF SAN MATEO

College of San Mateo (CSM) is located just north of Silicon Valley and is situated on a beautiful 153-acre site in the San Mateo hills with panoramic views of the San Francisco Bay Area and the Peninsula. The College is in close proximity to several major universities, is easily accessible from major highways, and is within short commuting distance from the San Francisco International Airport. College of San Mateo is accredited by the Western Association of Schools and Colleges, a recognized agency of the Federation of Regional Accreditation Commission of Higher Education. CSM's revitalized campus includes new state-of-the-art buildings: College Center, the Health and Wellness Building and Aquatics Center, and a science building with a planetarium. Students experience a vibrant campus life with more than 30 student clubs to complement classroom learning. College of San Mateo awards the Associate in Arts or Associate in Science degree, and vocational certificates, in programs, including business, health science, life science, digital media, engineering, music, and liberal arts. At the completion of an Associate Degree, International Students are highly encouraged to transfer to a four year university to pursue a higher degree.

### DID YOU KNOW?

College of San Mateo offers direct university transfer to a number of reputable universities in California. Students can choose both their college and transfer university when they register for ILSC's UPath program, and will receive conditional letters of acceptance to all schools.

*My name is Valentín Navarro, and I am an international student from Perú. I first came to Santa Barbara to study English when I was nineteen years old. As I was taking classes, I realized that I wanted to extend my stay and I decided to continue my studies here at SBCC. The SBCC campus is beautiful, and the weather in Santa Barbara is just great. My major is Business Administration, and I am currently finishing my General Education requirements. After that, I am planning to transfer to UCSB and to finally get my BA degree in Business. Studying at SBCC has been a good experience. Santa Barbara City College offers everything you need to succeed and to reach your goals.*

# Studying in Australia

## HOW TO DECIDE WHAT'S BEST FOR YOU

### 1. What are your long-term goals?

- What are your future career goals?
- What are the job opportunities available to you when you complete your program?
- How much money would you like to make?
- Do you want to open up opportunities for working or living abroad?

### 2. Establish your priorities—what is important to you?

- Cost (*For information about Cost of Living in Australia, please see the ILSC–Australia website: [www.ilsc.com.au/life-in-australia.aspx](http://www.ilsc.com.au/life-in-australia.aspx)*)
- Length of Program
- Location
- Reputation of school

### 3. Choose your area of studies (i.e. Science, Business, Arts)—if you can't decide, think about your:

- Personal interests
- Strengths and weaknesses
- Talents

## UNDERSTANDING DIFFERENT TYPES OF SCHOOLS, PROGRAMS AND QUALIFICATIONS

	COLLEGES & TAFES	UNIVERSITY
<b>PROGRAM TYPES &amp; LENGTH OF PROGRAM</b>	<ul style="list-style-type: none"> <li>Diplomas (1–2 years)</li> <li>Advanced Diplomas (1.5–2 years)</li> <li>Post-graduate certificates ( 1 year)</li> <li>Certificates (6 months–2 years)</li> </ul>	<ul style="list-style-type: none"> <li>Bachelor's degrees (3–4 years)</li> <li>Master's degrees (1–2 years)</li> <li>Doctoral degree (PhD) (4 years)</li> <li>Certificates (offered by some universities: 1–2 years)</li> </ul>
<b>COST</b>	College & TAFE tuition is usually more affordable than university, although some specialized programs may cost more	University tuition is usually more expensive than college
<b>OPPORTUNITIES DURING YOUR STUDIES</b>	<p><b>Work while you study*</b></p> <p>Australian student visas currently allow students to work up to 40 hours per fortnight while they are studying, and unlimited hours during scheduled course breaks. If students come with a family member on their visa, the family member is allowed to work up to 40 hours per fortnight after a student begins their course.</p>	
<b>OPPORTUNITIES AFTER GRADUATION</b>	<p><b>Work in your home country</b></p> <p>Secure a position in an industry related to your studies. Your international education and language experience will open up opportunities to work in positions with an international focus.</p> <p><b>Work in Australia with a Temporary Skilled Graduate Visa*</b></p> <p>International Graduates who have completed qualifications in select skill areas are currently eligible to apply for a Temporary Skilled Graduate Visa. In early 2013, Australia is expected change the Temporary Skilled Graduate Visa to a Temporary Graduate Visa, and open up temporary work permit options for graduates from a wider range of disciplines.**</p>	

\*All work and visa information is reviewed periodically by the Australian government and is subject to change. For the most current information, see the Australian government's Department of Immigration and Citizenship website: [www.immi.gov.au/students/](http://www.immi.gov.au/students/)

\*\*For a fact sheet on the proposed changes to post study work arrangements, see the Government's FAQ sheet on the subject: [www.immi.gov.au/students/\\_pdf/2011-post-study-work.pdf](http://www.immi.gov.au/students/_pdf/2011-post-study-work.pdf)

## TYPICAL PROGRAM ENTRY REQUIREMENTS\*

PROGRAM TYPE AND LENGTH	MINIMUM PRE-REQUISITES	MINIMUM GPA
<b>Certificates: I, II, III (6 months–2 years)</b>	Completion of Year 10	Minimum GPA requirements vary depending on the program choice, and on the students' home country
<b>Certificates: IV (6 months–2 year)</b>	High school diploma	
<b>Diplomas (1–2 years)</b>	High school diploma	
<b>Advanced Diplomas (1.5–2 years)</b>	High school diploma	
<b>Bachelor's degrees (3–4 years)</b>	High school diploma	
<b>Post-graduate certificates (1 year)</b>	College diploma or bachelor's degree or relevant work experience (high school diploma may be accepted for mature students only)	
<b>Master's degree (1–2 years)</b>	Bachelor's degree	
<b>Doctoral degree (PhD) (1–4 years)</b>	Master's degree	

\*ILSC's University Pathway program supports students to meet the language requirement for entry into our partner schools. Additional entry requirements apply, and vary by school and program.

# AUSTRALIAN CHILD CARE CAREER OPTIONS (ACCCO)

(ACCCO) is a successful and well-established registered training organisation. In addition, ACCCO passed the Australian Quality Training Framework (AQTF) audit which means ACCCO has implemented a Quality System. Its principal aim is the provision of quality education, with particular emphasis on meeting the practical requirements of the Industry into which you are entering and/or are currently employed. We pride ourselves on our dedication and personalised attention towards our students, making sure of regular contact and supervision

We believe that the provision of quality learning impacts not only on our students and the industry, but also upon the broader society, both directly and indirectly. ACCCO staff make special efforts to acknowledge each student personally in order to provide a service which best suits their individual needs. We place particular emphasis on maintaining meaningful contact with the Industry, enabling ACCCO to provide students with the most up to date, practical and theoretical industry perspective by choosing a career in Child Care, you have decided to assume responsibility for nurturing the growth, development and education of young children.

Students participate in Voluntary (unpaid) practical placement during their course (approximately 240 hours per year).

## MARTIN COLLEGE

Martin College is Australia's leading provider of career focused training courses in Business, Management, Marketing, Information Technology, Graphic Design, Venues and Events and Tourism. The College's courses also offer pathways and credit point transfer with range of Australian Universities.

With more than 35 years of experience in preparing students for their future career, Martin College uses skills-based assessment which does not focus on just exams to test how much students have learned but rather to offer multiple opportunities to demonstrate learning.

Martin College offers great flexibility with our multiple intakes and entry requirements. With a great mix of both Australian and International students, Martin College gives you a true Australian study experience whilst still giving you the opportunity to make friends from around the globe.

The small classes that are a feature of the College mean you will have personalized feedback from our industry-experienced teachers. This will help you stay on track with your studies. Learning throughout your course is strengthened by the use of our web-enhanced learning support platform, StudySmart. Such functions as the ability to interact with College staff and other students through this online support system will make your learning development both fast and interesting.

# SOUTHBANK INSTITUTE OF TECHNOLOGY

Southbank Institute of Technology has a proven record as one of Queensland's leading providers of high-level vocational and technical education. In 2010/11, 21,450 students from 90 countries chose to study at the Institute, enjoying access to 114 different course areas and 160 pathway opportunities to university.

Our vibrant campus is in a prime location and central to everything—public transport, cultural arts and entertainment, Brisbane's city centre, the famous Gold Coast beaches and theme parks, and the beautiful Sunshine Coast with its rainforests.

We are continuing to meet the increasingly diverse needs of industry and students with a wide range of recognised qualifications including apprenticeships, certificates, diplomas, advanced diplomas, associate degrees. We are also the driving force behind a range of vocational graduate certificates and diplomas. These programs have been designed to appeal to those who already have a university qualification or significant industry experience and want to upgrade their practical hands-on skills to succeed.

State-of-the-art training facilities include purpose-built classrooms and laboratories giving our students practical experience and the opportunity to work with real clients. In addition, links with industry to develop training and provide workplace experience ensures Southbank Institute's graduates are in high demand with employers.

## LOCATION

# Your Pathway to University Success

## APPLICATION PROCESS

### STEP ONE

Complete ILSC's application form indicating "University Pathway" as your program choice. (Take ILSC's online language level assessment test to determine how many weeks of study you will need to complete the University Pathway Program.)

### STEP TWO

Choose a partner university/college with the assistance of a Pathway Advisor.

### STEP THREE

Submit an application form for your chosen partner university or college, including all necessary documents. Your Pathway Advisor can help you determine which documents are required.

### STEP FOUR

After payment, you will receive a letter of acceptance from ILSC and a conditional letter of acceptance from your chosen college/university. Use these to apply for your study permit.

## ILSC UPATH PROGRAM

### STEP FIVE

English Language Study and Academic Preparation through ILSC's University Pathway Program

### STEP SIX

Seamless entry into your chosen University Pathway partner school upon successful completion of ILSC's UPath Program

## FUTURE SUCCESS

### COLLEGE or TAFE

Diploma / Certificate Program or University Transfer Program

### UNIVERSITY

Undergraduate or Graduate Degree Program

**Receive your Diploma, Certificate, Undergraduate or Graduate Degree!**  
**Start your career with exciting work opportunities at home or abroad!**

## STUDENT VISAS

When you apply for the University Pathway Program, ILSC will arrange joint letters of acceptance which include:

1. Acceptance into English language studies at ILSC
2. Conditional acceptance to the partner university, college or TAFE of your choice so that you can immediately apply for a long term student visa.

You may apply for your student visa from your home country through your local Canadian Visa Office, your local United States Embassy, Consulate or Diplomatic Mission or your nearest Australian Embassy or Consulate. Please refer to the following government websites to find your nearest office.

### Canadian Visa Offices

# Frequently Asked Questions

## **WHAT DOES “SEAMLESS ENTRY” MEAN?**

Seamless entry means that no outside language tests are required to enter your chosen partner school. Successful graduates of ILSC's University Pathway program will be able to enter directly into their chosen partner school once they have completed the UPath program. For some of our US partners, students will take a placement assessment on their first day; however, ALL of our partners offer seamless entry. That's right, no IELTS or TOEFL needed!

## **WHO IS A GOOD UNIVERSITY PATHWAY PROGRAM CANDIDATE?**

Any student who has a desire to study at a North American, or Australian college, TAFE or university, the willingness to work hard in their classes, and a GPA that meets the application requirements of their chosen partner school is an ideal candidate for the UPath program.

## **HOW DOES THE PATHWAY PROGRAM PREPARE YOU FOR COLLEGE OR UNIVERSITY?**

Students will take courses to develop their academic English skills. Students also take University Preparation I and II, which are taught as if they were true university courses. Students will learn note-taking skills, research skills, essay writing and correct citation formats. The UPath program will help you develop a much broader skill set than simply focusing on passing an IELTS or TOEFL test. By the time you start a program at your chosen partner school, you'll have all the tools you need for success!

## **WHAT DOES IT COST?**

There are no additional fees for the University Pathway program, just your regular ILSC course fees.

## **DO I GET A CERTIFICATE AT THE END OF THE PROGRAM?**

Yes, you will receive an official ILSC University Pathways Certificate when you complete the program.

## **HOW LONG DOES IT TAKE TO GET AN ACCEPTANCE LETTER FROM MY COLLEGE/UNIVERSITY OF CHOICE?**

Once we send off your completed application package you can typically expect to receive your conditional acceptance letter within 5–10 business days.

## **HOW MUCH MONEY DO I HAVE TO PAY WHEN I FIRST APPLY TO THE PARTNER COLLEGE/UNIVERSITY?**

All partner schools require a non-refundable application fee, usually around \$100. Some schools will also require the first semester's tuition as a deposit. Ask your counsellor or the UPath team to find out!

## **HOW DO I KNOW THAT THIS PROGRAM REALLY WORKS?**

Our University Pathway Program has been growing steadily since it began several years ago. Each year we send dozens of students to their college or university of choice and our success rate is very high!

## **HOW DO I APPLY?**

Speak to your agent or ILSC counsellor and sign up as a “University Pathway Student.” Make sure to apply for your chosen partner school when you apply to ILSC. To apply for your chosen partner school you will need: the partner school application form, a translated and notarized diploma and/or transcripts of senior secondary school and/or any other post-secondary education you have completed, and a copy of your passport. Some schools and programs may require additional documents. Your agent or an ILSC counsellor will help you complete all of the necessary paperwork to apply for the UPath program, and a partner college, TAFE, or university of your choice.
