OVERVIEW

Located in Sydney, Australia's first and largest city, UWSCollege is the perfect bridge for international students making the journey from secondary school in their own country to the high quality Bachelor degree programs at the University of Western Sydney (UWS), one of Australia's leading universities.

Since its foundation, UWSCollege has consistently proven it offers the ideal environment for students to fulfil their academic potential and realise their study and career goals. The main focus of UWSCollege's education programs is to prepare students for UWS' undergraduate and postgraduate programs by developing their academic, learning and study skills.

Successful progression through UWSCollege's suite of programs (English Language, University Foundation Studies and Diploma) offers international students pathways to the UWS undergraduate and postgraduate degrees. UWSCollege has an impressive record of producing graduates who perform well academically in their studies at UWS.

A small, close and culturally diverse community, UWSCollege is a welcoming and friendly place that understands and supports the special needs of international students.

Welcome

As you read this guide, I ask you to consider the reasons that parents and students from around the world make UWSCollege their first choice as a pathway to university.

The University of Western Sydney (UWS) is one of Australia's largest and most respected universities with a reputation for academic excellence combined with career-focused practical experience. Established and wholly owned by UWS, UWSCollege understands how to prepare you to enter and perform well at UWS.

Our programs provide the academic knowledge and English language communication skills you will need for your chosen field of study. The pathway programs include a fully accredited English Language Program, a University Foundation Studies Program and a Diploma Program. We help you plan your future academic journey by choosing the right program leading to the UWS Bachelor degree that best fits your career ambitions.

With a student-centred approach, UWSCollege is able to focus its teaching on you as an individual, making an early assessment of your academic abilities, catering to your specific learning needs and providing extra support and resources as required.

Teachers at UWSCollege not only have excellent qualifications but also extensive experience in the industry related to their courses. For you as a student this means up-to-date course content relevant to practices and standards in the current workplace – all good news for your employment prospects.

Our specialist English Language staff have an international reputation for delivering excellent results in a range of fully accredited courses from General English to a multi-level program of Academic English that prepares students for tertiary study. We also provide short term English Language Study Tours and an IELTS Preparation Course.

University Foundation Studies – our academic preparation courses – are offered in five study streams and delivered in two modes: Standard (8 months) and Extended (12 months). When you successfully complete one of our University Foundation Studies, and fulfil the UWS degree

entry requirements, you are guaranteed* entry into the first year of a UWS undergraduate degree program.

Our eight Diploma programs – the equivalent of the first year of a Bachelor degree – are offered in two modes: Standard (12 months) and Fast Track (8 months). When you successfully complete one of our Diploma programs and fulfil the UWS degree entry requirements, you are guaranteed* entry into the second year of the corresponding UWS undergraduate degree.

We have been welcoming international students for over 20 years and understand the challenges of living and studying far from home. To support your learning in a new culture and in a second language, we can provide you with extra English and academic preparation classes. Our Student Services team can help you with information, advice and counselling on everything from adjusting to a new life in Australia to visas, accommodation, health and employment.

Our two campuses in Western Sydney are located in a friendly, safe, multicultural area of Sydney offering a great, affordable lifestyle for international students.

Dr Kerry Hudson
CEO UWSCollege

Campbelltown Campus, University of Western Sydney

The University of Western Sydney

UWS has been recognised for outstanding contributions to student learning at the 2010 national Australian Learning and Teaching Council Awards.

With a contemporary approach to study, work and innovation, UWS adapts to the changing demands of global business, education, communication and the environment.

True to its philosophy 'Bringing Knowledge to Life' UWS combines academic study with practical experiences to deliver useful courses that help drive students towards their career goals.

Career-orientated courses

The University's strong research and industry links ensure course materials are always relevant to what's happening in the real world.

Balance of academic and practical learning

Nearly all courses have practical components so students can gain hands-on experience in real-life situations through case studies or practical work. This is delivered using state-of-the-art facilities throughout our campuses. Opportunities also exist for external work placements or industry internships.

Teaching students skills for life

Students are encouraged to adopt an independent, critical and analytical approach to each subject area and be adaptable to lifelong learning. Many courses specifically develop leadership and strategic thinking skills.

Industry-trained academic staff

Our industry-trained academics are in touch with the professional world and help provide you with the best possible resources to succeed in your studies.

Well regarded, innovative research programs

UWS takes its responsibility to support high-impact research seriously, fostering a vibrant and dynamic research culture. A reputation for research excellence has placed UWS in the Australian Research Council's funding top 20.

Global knowledge network

The University has close links with universities in the Asia-Pacific region, Europe and the Americas. These links provide UWS students an international student exchange program to study in another country as part of their degree in Australia.

UWS at a glance

- » UWS is located in Sydney's Greater Western Region
- » Multi-campus university with six campuses located throughout Western Sydney
- » Over 40,000 students – one of the largest universities in Australia
- » Over 4,000 international students study at UWS every year from around the world: India, China, Bangladesh, Philippines, Vietnam, Middle East, Germany, Korea, Thailand, Malaysia, Sri Lanka, and more.

Australia – Study Destination

Beautiful country, great lifestyle

The sixth largest country and only island continent in the world with the lowest population density per square kilometre, Australia is a place of great natural beauty including stunning beaches, pristine rainforests and the longest tropical reef on Earth. It contains 16 World Heritage-listed sites – including the Blue Mountains on the doorstep of Western Sydney – with unique landscapes and exotic animals.

The weather is generally sunny with a moderate climate and Australians love nothing more than spending a day outdoors, bushwalking, having a barbecue, swimming or playing sport. Take the time to go out, relax and explore: there is so much to see and do!

 www.australia.com

The people

With a long history of stable democracy, Australia is a safe and peaceful society with an international reputation for the celebration of cultural difference. Australians are friendly people with a relaxed attitude to life and a cheeky sense of humour. As a country built on migration, one in four Australians today were born overseas and over 200 different languages and dialects are spoken. Multiculturalism is a way of life in Australia and you will be welcomed as an international student.

Sydney: fun, sophisticated and vibrant

Renowned for the iconic Harbour Bridge and Opera House located on its spectacular harbour, Sydney is a major Asia-Pacific economic hub and tourism destination, offering many cultural, entertainment, social and sporting activities including beautiful beaches, a vibrant music and club culture, fine dining with international and modern Australian cuisine.

The UWSCollege campuses are a 30-60 minutes train trip to Sydney's central business district. You will find plenty to enjoy in this cosmopolitan city: shopping, sightseeing,

Darling Harbour, Sydney

taking a ferry ride on the harbour, visiting an art gallery or museum, or seeing a live concert or sports event.

 www.more.nsw.gov.au/events

International education: regulated and high quality

The international education sector's involvement with overseas students studying in Australia on student visas is highly regulated by the federal government through the Education Services for Overseas Students (ESOS) framework. This legislation protects the interests of overseas students, by setting minimum standards and providing tuition and financial assurance. All international education providers must comply with the National Code 2007, a set of nationally consistent standards, and must have their courses accredited and registered on the Commonwealth Register of Institutions and Courses for Overseas Students (CRICOS).

 www.studyinaustralia.gov.au
www.deewr.gov.au/International

Western Sydney

Greater Western Sydney (GWS) is a global centre for trade, innovation and learning with the third largest regional economy in Australia. Its multicultural community is one of the most diverse in the world with over 100 nationalities.

Greater Western Sydney

The Greater Western Sydney region is the home of UWSCollege and UWS and stretches from Parramatta (just 30 minutes from the City of Sydney) to the spectacular World Heritage-listed Blue Mountains National Park on the western edge of the metropolitan area. With a population of nearly two million, half of them under the age of 30. GWS is

the fastest growing region in Australia offering a high standard of living with a young, exciting, and affordable lifestyle.

Within easy reach of our campuses you will find a range of shops, cinemas, restaurants, gyms, cafes and nightlife. Outdoor leisure options include Olympic sporting venues, bushwalking, rock-climbing, sky diving, white-water rafting, abseiling, canyoning, horse-riding, hang-gliding, golf, tennis and paintball.

The head offices of 150 of Australia's top 500 companies are located here. For international students, this means plenty of part-time employment opportunities while studying and excellent local career prospects on graduation.

Top 6 things to do in and around Western Sydney

1. Pat a koala or feed the kangaroos at Featherdale Wildlife Park. www.featherdale.com.au
2. Learn about Australia's first people – visit the Muru Mittigar Aboriginal Cultural and Education Centre in Penrith. www.murumittigar.com.au
3. Take a trip to see the sights on Sydney's doorstep including the World Heritage-listed Blue Mountains, or learn to surf! www.uwsconnect.com.au
4. Eat out in Parramatta's 'Eat Street' lined with cafes and restaurants offering cuisine from around the world.
5. Visit Sydney Olympic Park – a great place for events, leisure and sport. Have a picnic or hire a bike and explore spectacular parklands and areas of cultural heritage. www.sydneyolympicpark.com.au
6. Watch a game of Australian Rugby League Football. www.australianrugbyleague.com.au

UWSCollege – Facilities and Accommodation

Nirimba campus

The Nirimba Education Precinct is a multi-institutional educational campus located at Quakers Hill. The Nirimba campus is a purpose-built learning centre for UWSCollege University Foundation Studies and Diploma Programs. This modern complex of lecture theatres, computer labs, tutorial rooms, student common room and prayer rooms is situated on a sunny, open, well laid-out campus landscaped with Australian native trees and shrubs. The computer labs stay open until 3.00am with full IT support available. UWSCollege students have borrowing privileges and access to the collections and services of the University of Western Sydney's libraries on all UWS campuses. The modern library holds over 50,000 volumes as well as providing access to the vast UWS online collection of over 106,000 print and e-journals, 456 databases and over 91,000 e-books.

The campus boasts outstanding recreation facilities including sporting fields, an in-ground Olympic-size swimming pool, cricket nets, tennis courts and a beach volleyball court. The student centre has table tennis, lounges and a television lounge. Three fully-staffed cafeterias on campus offer snacks, drinks and meals every week day during semester. Nirimba is a fully accessible campus for wheelchairs and prams with free student parking for bikes and cars.

Westmead campus

Westmead, where we teach our English Language Program and Diploma Program*, is well-known for its gracious and beautifully refurbished historic main building, St Vincent's, dating back to 1891. This elegant historic property has been converted into a spacious and modern learning centre with lecture and tutorial rooms, computer labs, and the provision of internet access, academic and social support services, sporting equipment, parking facilities, student common room and prayer rooms. Students enjoy a wide range of affordable cafes and international restaurants only a short walk away.

Easy to get to

Both Westmead and Nirimba campuses share the same train line and are within walking distance of their respective railway stations: Westmead and Quakers Hill. Both campuses are 30 and 60 minutes respectively by train from the Sydney central business district. Regular bus services are provided by Busways to both campuses.

Student accommodation

Living away from home means you want somewhere safe, affordable, comfortable and friendly to stay. We offer several options for your home away from home in the company of your fellow students.

UWS Residential College, Nirimba

Student accommodation on our Nirimba campus offers a choice of 4 and 5 bedroom, comfortably furnished

cottages or villas with standard single rooms in mixed or single-gender share accommodation, all with disability access and five minutes walk to class. Each unit has wireless internet access and telephone. The student common-room offers a pool table, table tennis, cable TV, and outdoor barbecue areas.

UWS Village [Parramatta]

Only a 15 minute trip to the UWSCollege Westmead campus, UWS Village located in Parramatta offers specialised student share accommodation with a choice of 8, 6, 5, 4, and 2-bedroom apartments and studio apartments in a modern, secure complex featuring a new 10-metre swimming pool with sundeck, a student lounge, TV lounge and e-library.

In both locations, you become part of a close student community with modern facilities and a program of diverse activities from sport and fitness to culture and entertainment. With UWS security patrols 24 hours a day and a team of Resident Assistants available to help at all hours, you are well looked after.

Homestay

Homestay accommodation gives students the opportunity to experience Australian culture first hand, allowing you to make friends with a local family and improve your English skills at the same time. Homestay students receive two meals everyday during the week and three meals a day during the weekends. To enquire or to book a place email pathwaystouni@uws.edu.au

*Only the Diploma in Business and Commerce is offered in 2012.

Student Services: Making You Feel at Home on Campus

As an international student at UWSCollege, you will find all the help and support you need is close at hand. The experienced, professional team at Student Services, located on both the Nirimba and Westmead campuses, are committed to making you feel at home in your new life at UWSCollege.

Student Advisors

Our Student Advisors' role is to help you settle in and ensure your student life experience is the best it can be. You can approach the Student Advisors on both campuses about any matter that concerns you and they will either help you directly or find someone who can. If you have a disability or health condition that requires specialised assistance or affects your ability to study, the Advisors can contact UWS Disability Services to help you. If you require professional counselling about personal, relationship, career or family matters, the Advisors can refer you to UWS Counselling for either face-to-face or over-the-phone consultations. Even if you are just feeling a bit homesick or having difficulty adjusting to your new life in Australia, come in and talk. No matter is too small or too big for them to handle.

Advisors can also provide advice and information or refer you to someone on the team who can help you with student visas, enrolments, course details, illness or injury, local employment, and on-campus and off-campus accommodation options including arrangements with homestay families. The team is available 8.30am to 4.30pm, Monday to Thursday, and 8.30am to 3.30pm, Friday with an after-hours helpline for emergencies.

Student activities

The Student Activities Officer organises regular student social and cultural events that help you get to know other students and broaden your appreciation of the diversity of cultures at UWSCollege. We celebrate the many festivals and important holidays from the diverse cultures of our student community including Eid, Chinese New Year, Ramadan, Easter, Christmas and Diwali. Sporting and social activities include basketball, soccer, volleyball, and Nintendo Wii, table tennis and pool competitions. Recreational, fun classes in painting, jewellery-making and tai chi are offered by qualified staff as well as seminars on study skills, resume writing and interview skills to help with job-

seeking. Excursions throughout the year include day trips to the Blue Mountains, harbour cruises and shopping tours.

To complement formal English classes, we have also introduced a new Cultural and Language Exchange Program which pairs UWSCollege English Language students with native English speakers who are learning the national language of the student. The pair meet for one hour, talk in English for 30 minutes and the student's language for the rest.

Same access as a UWS student

UWSCollege students have access to all the same services and facilities as UWS students including the on-campus gym, library and disability services, cafeterias and cafes on all six UWS campuses. They can join the UWS Student Association and sign up for all the social, political and religious clubs and groups as well as activities, day trips, competitions and social events organised through UWS Connect. For further information visit www.uwsconnect.com.au.

Sean O'Hanlon, Student Advisor

'My role is to make sure you have a high quality student experience. I was an international student once myself so I have been in your shoes. In Student Services, we see students through their whole journey in UWSCollege and there's nothing as good as seeing a student graduate happily at the end!'

Teaching and Learning: Fulfilling Your Academic Goals

Preparing for university: a whole new world

The UWSCollege focus is on preparing students for university in Australia. University is a very different teaching and learning environment to secondary school and may also be very different from what you have experienced in your home country.

For example, 'rote learning' – or memorising information – is not the main method of teaching. You will, instead, be required to understand and apply concepts and theories to critically examine and present a range of arguments to support your conclusions. You will be expected to participate in class discussions and to question your teachers if you do not understand what is being taught. Attendance at class is compulsory. Our teachers know exactly what you need to succeed at UWS and will help you acquire the language, learning and study skills, as well as the confidence and attitude to do so.

Special academic development subjects

UWSCollege offers additional support services to students to help bridge the gap between high school and the level of knowledge and skill needed for university.

- **Academic English:** This special subject, offered in all five streams of University Foundation Studies and in the Diplomas of Health Science and Social Science, is strongly focused on improving academic reading, writing and listening skills.
- **Tertiary Study Skills:** Offered in all eight Diploma programs, this subject addresses the specific skills you will need as a tertiary student across all disciplines such as how to research, reference, cite sources, and write an essay.
- **Discipline-specific:** In the Standard Diploma (three semester) Program, you will study extra discipline-specific 'gap' subjects such as Chemistry in the Science Diploma, Physics and Maths in the Engineering Diploma, and Statistics and Accounting in the Business Diploma.

Early assessment and tailored programs

UWSCollege assesses your academic strengths and weaknesses early in your course and provides you with an individual report making recommendations about areas for improvement and the need for support classes. UWSCollege puts in place many resources to help you progress successfully in your studies. Additional support classes in Maths and English focus on individual problems experienced by students in these areas.

Small classes and student groups

UWSCollege has smaller lecture and tutorial groups than the university, which allows our students to benefit from the more individual attention they receive from our teaching staff. Students are also organised into cohorts of about 20 students so they have the same friendly faces around them throughout their course. This also assists in the transition to the degree.

Tutorials

UWSCollege typically holds two-hour tutorial sessions, twice the length of the usual university tutorial, allowing for more question and discussion time.

University-level skills and assessments

You will learn a range of tertiary skills needed to pass your subjects. A number of assessment tasks are set during the semester and may include essays, research papers, oral presentations, fieldwork, and laboratory practicals. Final Diploma exam papers are quality assured by UWS to ensure they meet UWS standards.

Friendly, available staff

Our First Year Experience Coordinators monitor each student's progress and are the first point of contact if you have concerns. Our dedicated teachers are generous with their time and available for consultation and by email if needed.

Daimith Wijeratne, Academic
UWSCollege and UWS Graduate

'We show students how to write essays, how to reference, how they need to manage their time. These are the steps that you need to take in order to succeed in your life, not just in your studies.'

English Language Program

The UWSCollege English Language Program offers fully accredited courses that give you the confidence and communication skills you need to meet the challenges of studying at both UWSCollege and at university.

The teaching and course content is focused on the specific academic skills you will use as a university student including report and assignment writing, critical and analytical thinking, studying and learning methods, and public speaking skills for tutorial presentations.

All of our English programs are taught by qualified, specialist English language teachers and accredited with the National ELT Accreditation Scheme Limited (NEAS) Australia. UWSCollege has built an international reputation for excellence on the results we deliver.

Fully accredited courses CRICOS Code 060789E

Communicating in English (General English)

This general course prepares students for effective English language communication. It is designed to develop English proficiency, from a beginner level through to an advanced level, and teaches students how to communicate effectively in everyday society.

Academic English for Tertiary Studies

The Academic English for Tertiary Studies course is designed for students who need to improve their English skills for entry into UWSCollege Academic Pathway Programs and UWS study. There are four levels in this program:

1. Academic English Entry Program (AEEP)

This course provides a bridge between general English skills and academic skills in reading, writing, speaking and listening. During the course, students concentrate on basic grammar and sentence structure, then progress to more complex texts.

2. English for Academic Purposes I (EAP I)

Through general course work, seminars, factual reports and assignments, EAP I introduces students to academic writing, reading, listening and speaking skills.

3. English for Academic Purposes II (EAP II)

This course provides students with a broad academic language foundation and introduces students to a range of academic texts, building on the skills developed in EAP I.

4. English for Academic Purposes III (EAP III)

In EAP III, students develop their English language skills to an advanced

level of academic writing, listening, reading and speaking. This course is excellent preparation for university. On successful completion students do not have to take any further English language tests to gain entry to UWS and several other tertiary institutions.

Advanced Academic English Skills

Module A: Reading and Writing

If you have IELTS 6.5 or above, but a low score in reading or writing, or need to polish your writing skills before entry to further studies, Module A provides you with the intensive writing and reading practice you need.

Module B: Speaking and Listening

If you have IELTS 6.5 or above but a low score in speaking or listening, Module B provides you with intensive speaking and listening practice you need. It will also help improve fluency, pronunciation and public speaking skills. This course combines well with Module A.

Entry Requirements

Please refer to the English Language Program table on the following page for detailed information on intakes, duration, entry and exit requirements for each course.

Campus	Westmead
Fee	\$380 per week

The table below provides detailed information on intakes, duration, entry and exit requirements for our fully accredited English language courses.

Course	Intakes	Duration (weeks)	Entry requirements*	Exit
Communicating in English (Beginner to Advanced)	February, April, July, September, November (Students can enter this course every Monday)	5–50	There is no required level of English for this course	Academic English for Tertiary Studies course
Academic English for Tertiary Studies				
AEEP	February, April, July, September, November	10	IELTS (Academic) 3.5+ TOEFL 400/CBT 97/IBT 32 UWSCollege English Language Placement Test	EAP I
EAP I	February, April, July, September, November	10	IELTS (Academic) 4.5+ TOEFL 475/CBT 150/IBT 52 UWSCollege English Language Placement Test	EAP II
EAP II	February, April, July, September, November	10	IELTS (Academic) 5.0/5.5 (minimum of 5.0 in writing) TOEFL 500/CBT 173/IBT 61 UWSCollege English Language Placement Test	EAP III UWSCollege University Foundation Studies (minimum 50% in test components + 50% overall)
EAP III	February, April, May, July, September, November	10	IELTS (Academic) 5.5/6.0+ (minimum of 5.0 in all areas) TOEFL 525/CBT 193/IBT 69 UWSCollege English Language Placement Test	UWSCollege IELTS (Academic) 6.0 Diplomas UWS IELTS 6.5 Undergraduate and Postgraduate courses UWS IELTS 7.0 Postgraduate courses
Advanced Academic English Skills				
Module A: Reading and Writing	January, April, June, October	6	IELTS (Academic) 6.5/7.0+ (minimum of 5.5 for reading and writing) TOEFL 540/CBT 207/IBT 76/(TWE 3-5) UWSCollege English Language Placement Test	UWSCollege Diplomas UWS IELTS 6.5 Undergraduate and Postgraduate courses UWS IELTS 7.0 Postgraduate courses
Module B: Speaking and Listening	June, November	4	IELTS (Academic) 6.5/7.0 (speaking/listening 5.5) TOEFL 540/CBT 207/IBT 76/(TWE 3-5) UWSCollege English Language Placement Test	UWSCollege Diplomas UWS IELTS 6.5 Undergraduate and Postgraduate courses UWS IELTS 7.0 Postgraduate courses
IELTS Preparation				
IELTS Preparation	January, May, October, November	4		

- If IELTS subtest scores are low in Reading and Listening then Reading takes precedence.
- Exit points are generalised. Specific pass requirements apply for different courses. Please check the course requirements on arrival.

IELTS Preparation Course

For students wanting to enter university within Australia and overseas or needing an IELTS certificate for visa or Australian immigration purposes, the English Language Program also offers an IELTS Preparation Course. This course provides you with skills and confidence in test-taking for both modules as well as an understanding of the IELTS Academic Module practice test. It also prepares you for all four skills tested (reading, writing, listening and speaking).

English Language Study Tour Programs – for Professional, Educational and Cultural Purposes

UWSCollege's short term English Language Study Tour Programs provide intensive English language tuition for professionals and students. Every course is designed to meet the specific needs of each client group, allowing you to develop English language and professional skills in an English speaking environment.

IELTS Test Centre

The International English Language Testing System (IELTS) is an internationally accredited English test for students who need to demonstrate English language

proficiency for entry to universities and other educational institutions within Australia and overseas.

UWSCollege has its own award-winning IELTS Test Centre, located on the Westmead campus, which offers regular testing throughout the year. There are two types of tests: Academic and General. Both tests are made up of four parts: listening, speaking, reading and writing.

IELTS Test Centre contact details:

Telephone: +61 2 9685 9709

Fax: +61 2 9685 9830

Email: ielts.enquiries@uws.edu.au

University Foundation Studies

The University Foundation Studies Program is designed to introduce you to the knowledge and skills you will need for the first year of your Bachelor degree at UWS.

On successful completion of University Foundation Studies and fulfilment of UWS course entry requirements, you are guaranteed* direct entry into the first year of a UWS Bachelor degree program.

Alternatively, you can enter a UWSCollege Diploma Program, the equivalent of the first year of a corresponding UWS Bachelor degree. In the Diploma Program

you have the option of undertaking either a Standard (3 semester/12 month) program or a Fast Track (2 semester/8 month) program depending on your results in University Foundation Studies.

Study specialisations linked to your choice of Bachelor Degree

UWSCollege University Foundation Studies has five study specialisations to choose from:

- Arts (for students wishing to study Arts, Humanities, Social Science, Psychology, Education or Languages at university)

- Business
- Computing
- Nursing/ Health Science
- Science (for students wishing to study Science or Engineering at university).

The specialisation you choose is your direct route to your preferred UWS Bachelor degree e.g. you should enrol in the Arts specialisation if you intend to study the Bachelor of Arts at UWS.

Study specialisations:

- » Arts
- » Business
- » Computing
- » Nursing
- » Science

English Entry Requirement:

IELTS (Academic) 5.5 or equivalent.

Campus:

Nirimba

Course Start dates:

For specific course start dates, refer to page 29

Course Fees:

2 semesters: \$14,500

3 semesters: \$21,700

Assessment:

Each subject is assessed through a combination of continual assessment, mid semester and final examinations. In general, for subjects studied over two semesters, the weighting of the assessment and final examinations is greater in the second semester.

Standard (two semester) Program CRICOS Code 016665E

Duration: 8 months includes orientation, study, teaching and examination.

Entry requirements:

- » Successful completion of Australian Year 11 with excellent results, or equivalent (Science and Computing require previous study of Mathematics at Preliminary HSC or HSC level or equivalent).
- » Successful completion of EAP II with a minimum 50% in overall test component and a minimum 50% overall total score (Arts and Nursing require 60% pass).

Extended (three semester) Program CRICOS Code 064561D

Duration: 12 months includes orientation, study, teaching and examination.

Entry requirements:

- » Successful completion of Australian Year 11 or equivalent (Science and Computing require previous study of Mathematics at Preliminary HSC or HSC level or equivalent).
- » Successful completion of EAP II with a minimum 50% in overall test component and a minimum 50% overall total score.

Grade Point Average

Overall performance in a UWSCollege University Foundation Studies course is measured on a 10 point Grade Point Average (GPA). The GPA is an internationally recognised progressive measure of academic achievement over the duration of enrolment in a course and provides an overall view of a student's performance.

*There are course pass requirements set for all UWSCollege courses for guaranteed progression.

Standard Program

The University Foundation Studies Standard Program prepares students for first year university (or the UWSCollege Diploma) over two semesters. Refer to the table for entry requirements.

The Standard Program is designed to be completed in eight months. This program includes orientation, teaching, study and examination. Each semester is 18 weeks, with approximately 24 hours teaching or in-class work each week.

Extended Program

The University Foundation Studies Extended Program is studied over three semesters, giving you a full year to complete your course. Refer to the table for entry requirements.

In the first semester of the Extended Program, you will be required to undertake approximately 24-26 hours of face-to-face teaching time each week. You will have six subjects to complete that are an excellent introduction to each of the specialised streams which make up semester 2 and 3.

In the second semester, you will choose a specialised stream from the University Foundation Studies Standard Program where you will continue to build on your knowledge in the second and third semesters. The specialisation you choose is your direct route to your Bachelor degree at UWS.

Diploma

Entry to second year university

Our Diplomas are equivalent to the first-year of the corresponding degree at UWS. On successful completion of your Diploma, you will gain entry to university with one year advanced standing*.

Fast Track: finish a UWS degree faster!

If you achieve a Grade Point Average of 6.0 or higher in your University Foundation Studies, you can be accepted into a Fast Track Diploma (two semesters/eight months).

Fast-tracking your studies by completing a UWSCollege Diploma in Fast Track mode means you will be able to complete a three-year UWS degree in only two years and eight months.

Standard (three semester) Program

Duration: 12 months includes orientation, study, teaching and examination.

Entry requirements:

- » Successful completion of Australian Year 12 or equivalent or UWSCollege University Foundation Studies or equivalent, with a Grade Point Average of 5.5 or higher.

One International Visa for two programs

To make studying in Australia less expensive and less complicated, you can 'package' your visa to cover all of your English courses and academic studies. This means that whether you're enrolling in two courses, or studying a UWSCollege Pathway course and then a degree at UWS, a single visa can cover it all.

Entry to UWS degree

Successful completion of a Diploma Program requires a 50% pass in all subjects. You can then proceed to the second year of the UWS Bachelor Degree that corresponds to your Diploma having studied the equivalent of the first year.

Fast Track (two semester) Program

Duration: 8 months includes orientation, study, teaching and examination.

Entry requirements:

- » Successful completion of Australian Year 12 or equivalent or UWSCollege University Foundation Studies or equivalent, with a Grade Point Average of 6.0 or higher.

Courses:

- » Business and Commerce
- » Construction Management
- » Engineering
- » Health Science (PDHPE)
- » Health Science (Health Promotion, Health Services Management and Therapeutic Recreation)
- » Information and Communications Technology
- » Science
- » Social Science.

English Entry Requirement:

- » IELTS 6.0 with a minimum of 5.5 in each sub band.
- » Successful completion of UWSCollege EAP III course with a 50% pass in the overall test component.
- » A result in the UWSCollege English Placement Test at IELTS 6.0 equivalent.
- » A 'C' result in the University Foundation Studies Academic English course.
- » A 'B' result in the University Foundation Studies Academic English course for Social Science and Health Science (2 semesters).
- » A 'C' result in the University Foundation Studies Academic English course for Social Science and Health Science (3 semesters).

Campus:

Nirimba

Course Start dates:

For specific course start dates, refer to page 29.

Course Fees:

For information on fees, please refer to the individual Diploma tables.

Entry requirements for a UWS Degree:

To successfully complete your Diploma at UWSCollege you will need a 50% pass in all required subjects. This enables you to proceed to UWS with advanced standing equivalent to one-year of the corresponding UWS Bachelor degree course.

*There are course pass requirements set for all UWSCollege courses.

Graduate Profile

Romen Karmakar

Bangladesh

UWSCollege Graduate (Diploma in Science)

Currently studying Bachelor of Medical Science, UWS

“When you come here, you see people from all cultures; you are not alone. The friends I made here will probably be for life.”

‘I did the Fast Track Diploma in Science so I’m finishing my degree in two years and eight months – if you go to uni it takes three years. When I started I was struggling and my teacher gave me some extra material; I will always be thankful to her. I was scared at first and not talking much. I really liked the small student groups as it was really easy for me to ask questions. I got so much help from all the staff whenever I needed it; I felt like it was a family here, the teachers were so approachable.

‘I got a high distinction in both of my Chemistry units and my teacher told me I should really go for Chemistry. So I chose Medicinal Chemistry as my degree major and I’m really good at it. If it wasn’t for UWSCollege I would probably be struggling in my first year instead of doing so well. I can still try for Graduate Medicine and I have lots of career pathways to choose from.

‘My Australian friend invited me to his house for a Christmas BBQ; I’m a Hindu but I had the best Christmas of my life!’

Diploma in Business and Commerce

The Diploma in Business and Commerce aims to produce students who are fully prepared for study in the UWS Bachelor of Business and Commerce with a sample of business units that allow for a well-informed choice of professional focus at university.

Assumed knowledge

Students are assumed to have studied Mathematics at senior high school level or to have passed University Foundation Studies Mathematics at UWSCollege.

Entry to UWS

When you successfully complete your Diploma in Business and Commerce, you can progress to the second year of the Bachelor of Business and Commerce at UWS offering nine specialisations. You can then choose to pursue the specialisation that best fits your career goals.

Standard (three semester) Program

CRICOS Code: 063565G
UWS Course Code: 7007
Campus: Nirimba, Westmead
Fee: \$18,800
Key subjects: Accounting Fundamentals*; Statistics for Academic Purposes*; Tertiary Study Skills*; Accounting Information for Managers; Business Academic Skills; Information Systems in Context; Introduction to Business Law; Management Dynamics; Marketing Principles; Principles of Economics; Statistics for Business.
<small>*No advanced standing at university will be granted for these subjects.</small>

Fast Track (two semester) Program

CRICOS Code: 063566G
UWS Course Code: 7008
Campus: Nirimba, Westmead
Fee: \$16,050
Key subjects: Tertiary Study Skills*; Accounting Information for Managers; Business Academic Skills; Introduction to Business Law; Management Dynamics; Marketing Principles; Principles of Economics; Statistics for Business; AND Information Systems in Context**; OR Consumer Behaviour; Financial Accounting Applications; Introduction to International Business; Managing People at Work; Organisational Behaviour.
<small>*No advanced standing at university will be granted for these subjects. ** If approved by both UWSCollege and UWS, students enrolled in the two-semester course may replace Information Systems in Context unit with one of the five UWS units listed immediately below it.</small>

Bachelor of Business and Commerce - (CRICOS Code 074089G)

Majors	Career Prospects
Accounting	Public practice with business and financial advising, auditing and assurance services, taxation and management consulting. Other roles: systems accountants, management accountants, auditors, financial accountants and financial controllers.
Applied Finance	Positions in corporate finance, money and capital markets, financial services management, merchant banking and treasury, equity analyst and trader, credit analyst, investment advisor or portfolio manager.
Hospitality Management	Roles in hotels, resorts, club sector, food service enterprises or other service-oriented businesses.
Human Resource Management and Industrial Relations	Positions include training and development manager, employee relations manager, human resources manager, director of employment services, industrial relations officer and industrial advocate.
International Business	International business, international marketing, export and import, positions in multinational companies and their subsidiaries, business research and strategy and development roles and in a range of business organisations with international connections.
Management	Careers in contemporary private, public or NFP organisations in Australia and abroad with graduate traineeships and entry level positions in functional areas such as HR, marketing, operations or logistics.
Marketing	Product and brand management, sales management, advertising management, marketing management, market analysis, marketing research, marketing consultancy, distribution and logistics management, communications, e-commerce, global marketing.
Property	Property valuation, property development, property funds management, property investment analysis, investment banking, corporate real estate, property investment and finance, commercial property sales and leasing, property research, commercial, industrial and retail property management.
Sport Management	Project management of events and facilities, sport administration, management and coordination of leisure, sport and civic event departments, sport marketing, player management and sport public relations, elite sport development.

Diploma in Construction Management

The Diploma in Construction Management provides students with the first year units included in the Bachelor of Construction Management course covering the science, building and management aspects of construction management.

Assumed knowledge

Students are assumed to have studied Mathematics at senior high school level or to have passed University Foundation Studies Mathematics at UWSCollege.

Entry to UWS

When you successfully complete your Diploma in Construction Management, you can progress to second year of the Bachelor of Construction Management at UWS.

Standard (three semester) Program

CRICOS Code: 069053F

UWS Course Code: 7015

Campus: Nirimba

Fee: \$21,000

Key subjects:

Mathematics B*, Physics*; Tertiary Study Skills*; Accounting Information for Managers; Building 1; Building 2; Engineering and Design Concepts; Engineering Design and Construction Practice; Introduction to Business Law; Management Dynamics; Physics and Materials.

*No advanced standing at university will be granted for these subjects

Fast Track (two semester) Program

CRICOS Code: 069054E

UWS Course Code: 7016

Campus: Nirimba

Fee: \$18,750

Key subjects:

Tertiary Study Skills*; Accounting Information for Managers; Building 1; Building 2; Engineering and Design Concepts; Engineering Design and Construction Practice; Introduction to Business Law; Management Dynamics; Physics and Materials.

*No advanced standing at university will be granted for these subjects

For detailed subject descriptions visit: www.uwscollege.edu.au

Bachelor of Construction Management - (CRICOS Code 049425D)

The Construction Management program is widely recognised for delivering the full suite of theoretical, practical, and hands-on experience in the area of construction management. It offers a sophisticated, purpose-built laboratory complex where students conduct experiments across the range of building sciences, including acoustics, heat flow through a building, corrosion of materials, concrete testing, and much more.

Careers

This course is aimed at providing the skills and abilities necessary to perform competently at a professional level in the building industry, in one or more of the following roles: construction manager, project manager, site manager, facilities manager, building supervisor, estimator, building economist, property manager, building consultant, quantity surveyor and building researcher, and design and construction manager.

Diploma in Engineering

The Diploma in Engineering provides students with first year units of the Bachelor of Engineering Degree with additional tertiary preparation of the students' mathematical and physics knowledge and skills.

Assumed knowledge

Students are assumed to have studied Mathematics at senior high school level or to have passed University Foundation Studies Mathematics at UWSCollege and have assumed background Science knowledge, preferably in Physics.

Entry to UWS

When you successfully complete your Diploma in Engineering, you can progress to second year of the Bachelor of Engineering at UWS which currently offers eight specialisations. You can then choose to pursue the specialisation that best fits your career goals.

Standard (three semester) Program

CRICOS Code: 063562M
UWS Course Code: 7006
Campus: Nirimba
Fee: \$21,000
Key subjects: Mathematics C*; Physics*; Tertiary Study Skills*; Engineering Computing; Engineering and Design Concepts; Engineering Design and Construction Practice; Electrical Fundamentals; Fundamentals of Mechanics; Mathematics for Engineers 1; Mathematics for Engineers 2; Physics and Materials.
<small>*No advanced standing at university will be granted for these subjects.</small>

Fast Track (two semester) Program

CRICOS Code: 068985C
UWS Course Code: 7010
Campus: Nirimba
Fee: \$18,750
Key subjects: Tertiary Study Skills*; Engineering Computing; Engineering and Design Concepts; Engineering Design and Construction Practice; Electrical Fundamentals; Fundamentals of Mechanics; Mathematics for Engineers 1; Mathematics for Engineers 2; Physics and Materials.
<small>*No advanced standing at university will be granted for these subjects.</small>

Bachelor of Engineering - (CRICOS Code 041037C)

Specialisations	Career Prospects
Civil	Designing, constructing and managing roads, transportation, airports, water supply, sewerage systems, large buildings, etc.
Computer	Hardware and software development, computer control and real time computer systems, communications and networking, networking technology development.
Construction	Fields of construction, structural design, project management, quantity surveying and estimation. Career opportunities include the private or public sector on projects covering roads, bridges, airports, and residential and commercial buildings.
Electrical	Communications, electro-magnetics, power and control, public utilities, telecommunications, manufacturing, and electrical systems areas.
Environmental	Designing solutions with a strong emphasis on environmental impact. You may work in private, industrial and mining companies, government departments, city and shire councils.
Mechanical	Career opportunities in mining, biomedical applications, building services, energy generation and conservation, manufacturing, transportation and aerospace.
Robotics and Mechatronics	Designing, developing and controlling automated machinery, designing mechanical equipment and systems, and marketing and management. Opportunities in manufacturing, packaging, materials handling, aerospace and mining and projects such as designing manufacturing solutions, processes and equipment, developing robotic devices to solve important health issues.
Telecommunications	Work concerned with the transmission of data e.g. developing ways for the speech- and hearing-impaired to be able to talk, working in communications offices, designing computer communications solutions, working on intercontinental communications issues.

Mona Bagherpour

Iran

UWSCollege Student, Diploma in Engineering

It was one of the best decisions in my life that I came to Australia and I chose UWSCollege. I have good education here, good times here, good friends here, good fun here.'

'My mum and dad finished high school: they got the Diploma, they didn't go to uni. My dad is in construction, selling and buying properties and building. Maybe that's why I want to be a Civil Engineer and have my own business. I really wanted to study my Civil Engineering degree overseas. I did lots of research and the reason I picked Australia was safety and its good higher education system.

'I thought UWSCollege was the best choice for me. I'd be better to start the Diploma course to get to know everything and then go to uni. Now I know how to do the assignments, I know how to deal with the program and the lessons and English.

'I really loved my EDCP [Engineering Design and Construction Practice] teacher. He is really nice, so calm and relaxed and helps you with anything; he listens and understands. I spoke to him about my studies a lot out of class time. We got lots of practical lessons for physics and electrical and mechanics. They're really, really good; they help a lot. My results are now much better.

'UWSCollege being multicultural is one of the most important factors because you feel more confident. You know there are other people who don't know English that well, they just came here like you. When I started studying here my friends helped me a lot.'

Diploma in Health Science

(Personal Development, Health and Physical Education (PDHPE))

The Diploma in Health Science (PDHPE) provides students with the first year units included in the Bachelor of Health Science (PDHPE), covering introductory Science, Communication and Health aspects of the Bachelor course. The Fast Track (two semester) Program is not available for this course.

Assumed knowledge

Students are assumed to have studied English at senior high school level and preferably have assumed background Biology and PDHPE.

Entry to UWS

When you successfully complete your Diploma in Health Science (PDHPE) you can progress to second year of the Bachelor of Health Science in Personal Development, Health and Physical Education (PDHPE) at UWS.

Standard (three semester) Program

CRICOS Code: 072428J

UWS Course Code: 7017

Campus: Nirimba

Fee: \$18,900

Key subjects:

Academic English*; Science for Health Science*; Tertiary Study Skills*; Communication in Health; Foundations of Research and Evidence-Based Practice; Fundamentals of Exercise Science; Introduction to Human Biology; Outdoor Recreation; Population Health and Society; Professional Health Competencies; Psychology and Health.

*No advanced standing at university will be granted for these subjects.

For detailed subject descriptions visit: www.uwscollege.edu.au

Bachelor of Health Science (PDHPE) - (CRICOS Code 044787G)

The Personal Development, Health and Physical Education (PDHPE) program brings together a comprehensive foundation of health sciences, understanding of physical activity and personal development, and skills in interacting with people. Graduates stand out for their holistic understanding of the concepts of health and physical activity in personal development.

The course explores challenging areas of personal development, including youth health issues, sexuality, drugs, psychology and risk-taking behaviours, as well as general health science, including human biology, health systems, health promotion and research. Facilities are state of the art, including a new gymnasium and a renovated dance and gym studio, and practical experience is a strong feature of the program.

Careers

The program is a popular pathway to a Master of Teaching degree, and then on to a teaching career. Teaching opportunities can be extended beyond PDHPE by studying electives, such as science and mathematics. Graduates also work as personal trainers and sports coaches and new opportunities are opening up in community-based recreation.

Diploma in Health Science

(Health Promotion, Health Services Management and Therapeutic Recreation)

The Diploma in Health Science (Health Promotion, Health Services Management and Therapeutic Recreation) provides students with the first year units included in the Bachelor of Health Science, covering introductory Science, Communication and Health aspects of the Bachelor course.

Assumed knowledge

Students are assumed to have studied English at senior high school level.

Entry to UWS

When you successfully complete your Diploma in Health Science (Health Promotion, Health Services Management and Therapeutic Recreation) you can progress to second year of the Bachelor of Diploma in Health Science (Health Promotion, Health Services Management and Therapeutic Recreation) at UWS.

Standard (three semester) Program

CRICOS Code: 072429G

UWS Course Code: 7018

Campus: Nirimba

Fee: \$18,900

Key subjects:

Academic English*; Science for Health Science*; Tertiary Study Skills*; Communication in Health; Foundations of Research and Evidence-Based Practice; Introduction to Human Biology; Outdoor Recreation; Population Health and Society; Professional Health Competencies; Professional Pathways in Health Science; Psychology and Health.

*No advanced standing at university will be granted for these subjects.

Fast Track (two semester) Program

CRICOS Code: 072430D

UWS Course Code: 7019

Campus: Nirimba

Fee: \$16,000

Key subjects:

Tertiary Study Skills*; Communication in Health; Foundations of Research and Evidence-Based Practice; Introduction to Human Biology; Outdoor Recreation; Population Health and Society; Professional Health Competencies; Professional Pathways in Health Science; Psychology and Health.

*No advanced standing at university will be granted for these subjects.

For detailed subject descriptions visit: www.uwscollege.edu.au

Bachelor of Health Science - (CRICOS Code 044779G)

The course provides a broad introduction to the health sciences with opportunities to major in health promotion, health service management and therapeutic recreation. Subject to meeting admission criteria, transfers are possible to the clinical programs in physiotherapy, occupational therapy and podiatric medicine.

Specialisations	Career Prospects
Health Promotion	Initiate, develop and evaluate policy to help communities and individuals to change their behaviour, working with employers such as NFP foundations, disability councils, the public health sector, community health centres, youth centres, schools and, increasingly, local government. Health promotion projects include injury prevention, skin cancer prevention, HIV/AIDS awareness and community development.
Health Management	Health Services Management plays a vital role in society, in ensuring that public investment in health is well spent, and that private healthcare businesses deliver effective, efficient services. You will build skills in managing people, resources and finances. Work involves quality improvement, financial management and occupational health and safety. Two areas of employment growth are in mental health services and the aged care sector.
Therapeutic Recreation	Graduates work with patients to use leisure activities to improve health and life quality in rehabilitation centres and psychiatric units, or in local government or community settings. Starting positions include diversional therapist in a public hospital or as a day care centre coordinator

Diploma in Information and Communications Technology

The Diploma in Information and Communications Technology (ICT) aims to produce students who are fully prepared for study in the UWS Bachelor of ICT program.

Assumed knowledge

Students are assumed to have completed study in Mathematics and Science at senior high school level or to have completed University Foundation Studies Mathematics at UWSCollege.

Entry to UWS

When you successfully complete your Diploma in Information and Communications Technology (ICT), you can progress to the second year of the UWS Bachelor of Information and Communications Technology (ICT) or the UWS Bachelor of Computing.

Standard (three semester) Program

CRICOS Code: 063564J

UWS Course Code: 7005

Campus: Nirimba

Fee: \$21,000

Key subjects:

Programming Design*; Statistics for Academic Purposes*; Tertiary Study Skills*; Computer Networking; Database Design and Development; Information Systems in Context; Object Oriented Analysis; Principles of Professional Communication 1; Programming Fundamentals; Statistical Decision Making; System Analysis and Design.

*No advanced standing at university will be granted for these subjects.

For detailed subject descriptions visit: www.uwscollege.edu.au

Fast Track (two semester) Program

CRICOS Code: 063563K

UWS Course Code: 7004

Campus: Nirimba

Fee: \$17,100

Key subjects:

Tertiary Study Skills*; Computer Networking; Database Design and Development; Information Systems in Context; Object Oriented Analysis; Principles of Professional Communication 1; Programming Fundamentals; Statistical Decision Making; System Analysis and Design.

*No advanced standing at university will be granted for these subjects.

Bachelor of Information and Communications Technology - (CRICOS CODE 064013K)

This course provides the skills and knowledge base in networking and IT applications areas of ICT and the ability to apply practical solutions across ICT. It allows students to develop skills in application development, program design, systems analysis and design, networks, web design, and the implementation of technology. It provides a solid foundation in networks, databases, systems analysis and design, programming, web technologies, project management, professional communications and operating systems and associated computer security. It also covers the necessary mathematical and statistical skills as needed by an ICT practitioner.

Specialisations	Careers
Networking; Advanced Programming; Computer Systems; Information Technology; Health Informatics; Computational Decision Making; Entertainment Computing; Knowledge Discovery and Data Mining; Mathematics; Statistics.	Pathways include network administrator or engineer, systems architect, systems integrator, database administrator or programmer, web analyst, community/commercial web systems designer/developer, software quality analyst, business programmer, software engineer analyst, systems developer, games developer, and information systems manager.

Bachelor of Computing - (CRICOS CODE 041104G)

UWSCollege Diploma of ICT graduates can enter the Information Technology major of this degree course. This is a professional Information Communication Technology (ICT) course that provides graduates with a skills and knowledge base in the Information Systems (IS) and Information Technology (IT) areas and equips graduates with skills needed to apply IS/IT solutions to a wide area of ICT. It assures graduates develop skills in program design, systems analysis, design and security, data analysis and modelling, networks, web design and systems planning.

Careers

Graduates can expect to work in a variety of IT/IS related roles including: analyst programmer, systems developer, network developer, systems architect, information systems manager, web systems developer, Chief Information Officer (CIO) of an organisation, and many others.

Diploma in Science

The Diploma in Science provides students with first year units of the Bachelor of Science Degree with additional science tertiary preparation of the students' mathematical and chemistry knowledge and skills.

Assumed knowledge

Students are assumed to have completed some study in Mathematics and Science at senior high school level or its equivalent.

Entry to UWS

When you successfully complete your Diploma in Science, you may progress to a number of Science degrees as detailed below with 80 credit points advanced standing.

Standard (three semester) Program

CRICOS Code: 063567F
UWS Course Code: 7003
Campus: Nirimba
Fee: \$20,100
Key subjects: Tertiary Study Skills*; Chemistry*; Mathematics B*; Biodiversity; Cell Biology; Essential Chemistry 1; Essential Chemistry 2; Science Academic Literacy; Maths unit (to be confirmed); and either: Resource Sustainability and Integrated Science OR Introduction to Anatomy and Introduction to Physiology.
<small>*No advanced standing at university will be granted for these subjects.</small>

For detailed subject descriptions visit: www.uwscollege.edu.au

Fast Track (two semester) Program

CRICOS Code: 068984D
UWS Course Code: 7009
Campus: Nirimba
Fee: \$17,100
Key subjects: Tertiary Study Skills*; Biodiversity; Cell Biology; Essential Chemistry 1; Essential Chemistry 2; Science Academic Literacy; Maths unit (to be confirmed); and either: Resource Sustainability and Integrated Science OR Introduction to Anatomy and Introduction to Physiology.
<small>*No advanced standing at university will be granted for these subjects.</small>

UWS Science courses*	UWS Natural Science courses*	UWS Medical Science courses
Bachelor of Science (CRICOS Code 041144M)	Bachelor of Natural Science (Animal Science) (CRICOS Code 074711A)	Bachelor of Medical Science (CRICOS Code 044792K) majoring in Biomedical Science
Bachelor of Science (Biological Sciences) (CRICOS Code 041151A)	Bachelor of Natural Science (Environment Management) (CRICOS Code 074712M)	Bachelor of Medical Science (CRICOS Code 044792K) majoring in Medicinal Chemistry
Bachelor of Science (Chemistry) (CRICOS Code 041153K)	Bachelor of Natural Science (Sustainable Agriculture & Food Security) (CRICOS Code 074710B)	Bachelor of Medical Science (CRICOS Code 044792K) majoring in Physiology
Bachelor of Science (Environmental Science) (CRICOS Code 074707G)		
Bachelor of Science (Forensic Science) (CRICOS Code 049084J)		
Bachelor of Science (Nutrition and Food Science) (CRICOS Code 074706J)		
Bachelor of Science (Zoology) (CRICOS Code 074708G)		

*Science and Natural Science courses to be confirmed.

Diploma in Social Science

The Diploma in Social Science seeks to equip all students with introductory interdisciplinary and specialist skills and knowledge which form the basis for further study in the Bachelor of Social Science at UWS. It also offers a foundation unit in Academic English as an additional skill basis for tertiary level study.

Assumed knowledge

Students are assumed to have studied English at senior high school level.

Entry to UWS

When you successfully complete your Diploma in Social Science, you can progress to the second year of the Bachelor of Social Science at UWS, which offers six specialisations. You can then choose to pursue the specialisation that best fits your career goals.

Standard (three-semester) Program

CRICOS Code: 069055D

UWS Course Code: 7020

Campus: Nirimba

Fee: \$18,900

Key subjects:

Academic English*; Tertiary Study Skills*; Cultural and Social Geographies; The Geographies of Social Difference; Inequalities and Difference; Introduction to Criminology; Organisations; Communities and Communication; The Individual in Society; Tourism in Society; Understanding Society.

*No advanced standing at university will be granted for these subjects.

For detailed subject descriptions visit: www.uwscollege.edu.au

Bachelor of Social Science - (CRICOS Code 041159D)

The Social Science degree aims to expand your knowledge of the social world through theory and research, providing a deep understanding of the complex, culturally diverse and dynamic social environment of the twenty first century and what makes people in our societies and cultures tick. Through this degree, you can be assured of gaining detailed knowledge about different cultures and the effects of policy and social attitudes on various communities, as well as the practical skills to apply your knowledge.

Specialisations	Careers
Child and Community	A good foundation for a career in the human services with a particular interest in children.
Criminology and Criminal Justice	Graduates typically find employment in probation and parole, policy advice and research, corrective services, community agencies, child protection, violence prevention, local government, Federal Police, NSW Police, and other investigative agencies.
Geography and Urban Studies	Employment includes urban and regional planning, urban research and policy, strategic planning policy, environmental and social impact assessment, community planning, housing policy, economics and allocation, teaching, social and cultural planning.
Heritage and Tourism	Graduate career paths include local government, community work, teaching, heritage organisations, international development agencies, public service and cultural tourism.
Peace and Development Studies	Employment paths include local government, community work, human rights and peace advocacy, public service, non-government and international aid agencies, cultural tourism, law, international civil service (UN and related agencies).
Sociology	Occupations and industries include administration, business development, counselling, health policy, HR, probation and parole, sales and marketing, social research and community work.

Theresa Wyborn, Coordinator Diploma in Social Science

'One thing that is really valuable about what we do here is actually induct students into what university life is like. For example, Academic English gives them a critical grounding in academic writing: what's expected and how to do it.'

Zain Ali Raza

Kuwait

UWSCollege, University Foundation Studies
Science Program

“What the University Foundation Studies course at UWSCollege did for me was make me perfectly ready for uni.”

‘I had three choices of uni for Occupational Therapy. The good thing about UWS was that there is a double degree: a Bachelor of Health Science and a Masters of Occupational Therapy in four years. After three years from now if I decide to change my field, I still can. There’s still flexibility. I have plenty of time to make up my mind.

‘What the University Foundation Studies course at UWSCollege did for me was make me perfectly ready for uni. I pretty much have an upper hand now over people who start uni fresh from high school. When we got our first essays, everybody was like “how do I write this?” And I already knew.

‘Over here, its like you meet a different person from a completely different background every day. We’re all overseas students and then you fit in perfectly. You develop the skill of teamwork with different kinds of people.

‘I really enjoy life here in Sydney. You can find so many different cuisines: Asian, Arabic, Turkish, Western food, anything. Food is good, places to live in are good, the city is awesome. Just recently I attended a concert at the Opera House in the Concert Hall. And that I think was the best night of my life!

‘I strongly suggest you join UWSCollege before going to university even if you nailed your A-levels. Getting ready for uni is a really big deal: it’s not just the studies, it’s also coping with all the pressure. The Foundation course really helped me with that.’

*Additional selection criteria required i.e. interview/audition.

**Science courses to be confirmed.

Overall performance in a UWSCollege University Foundation Studies course is measured on a 10 point Grade Point Average (GPA).

The GPA is an internationally recognised progressive measure of academic achievement over the duration of enrolment in a course and provides an overall view of a student's performance.

2012 English Language Program Dates

Course	Start Dates	Finish Dates	Duration
Academic English for Tertiary Studies AEEP, EAP I, EAP II, EAP III	13 February 2012 23 April 2012 9 July 2012 17 September 2012 26 November 2012*	20 April 2012 29 June 2012 14 September 2012 23 November 2012 8 February 2013*	10 weeks *11 weeks
EAP III only students need suitable English test results to enrol in this course	14 May 2012	20 July 2012	10 week
Advanced Academic English Skills Module A: Reading and Writing	3 January 2012 23 April 2012 4 June 2012 15 October 2012 7 January 2013	10 February 2012 1 June 2012 13 July 2012 23 November 2012 15 February 2013*	6 weeks

2 semesters (Fast Track) » Engineering » Health Science (HP, HSM and TR) » Science	25 June 2012	1 February 2013	8 months

These dates may vary. Please check with UWSCollege to ensure that your preferred course has an intake when you wish to start.

NOTE: Attendance at Orientation in week prior to commencement is compulsory.

Entry Requirements

UWS International and UWSCollege

Admission to the University of Western Sydney (UWS) is competitive and is on the basis of academic merit. The table below gives the minimum entry requirements, by country, for admission into courses at the UWS and UWSCollege.

These requirements should be read in conjunction with the UWS and UWSCollege online handbook and the English Language Proficiency Requirements as some programs require pre-requisite knowledge in specific discipline areas, or additional entry requirements which must be met.

Please Note:

- » A combination of qualifications can be submitted and will be considered on a case-by-case basis.
- » Applications from countries not listed are encouraged and will be assessed on an individual basis.
- » All university qualifications must be from recognised and accredited institutions.

International Qualifications Table

Qualification	3 Semester University Foundation Studies Program	2 Semester University Foundation Studies Program	3 Semester Diploma Programs	2 Semester Diploma Programs	Undergraduate	Postgraduate
Global Assessment Certificate	On application	On application	Successful Completion of Global Assessment Certificate with a score of 65%	Successful Completion of Global Assessment Certificate with a score of 70%	On application	Not applicable

Felicity Orme, Head of Business Program

'For international students who come into the Diploma, we provide them with additional resources to be able to bridge the gap between the study they have done in their own country and the standard of tertiary studies required here in Australia.

Manami Kanzaki

Japan
UWSCollege Student, EAP III
(English Language Program)

"The teachers at UWSCollege are very kind and their explanations are very easy to understand. They are easy to talk to, accept any of my questions and they explain things until we understand."

'I was born in Osaka, Japan. I came to Australia because I wanted to improve my English speaking and listening skills. UWSCollege has a contract with Kinki university in Osaka so I will get credit points towards my Bachelor of Arts in English and Culture there. I would like to teach Japanese to foreigners in Japan and teach English in primary school.

'In Japan, the student only listens to the teacher. Here, it is more discussion style.

'I am happy with my results so far in the course. My English is now much better than before. In Japan we can learn about grammar and reading but we don't have lots of opportunities to speak and listen to English. Here, we have lots of opportunities to talk in English. And we can learn how to communicate with people from other countries. This will be important for me in the future.

'I think this course is good for Japanese students because there are people from so many different countries in Asia, not just one country. My friends in class are from China and Vietnam. We talk to each other in English.

'I'm living at the village at Parramatta campus and I like that. I make friends with local Australian students. Last week my classmates and I prepared lunch and ate together; it was fun and it will be a good memory to take back home. I like nature here in Australia and the huge skies. People are kind and friendly. I think this country is very safe.'

Important Information

Course Fees

Commencing students will be provided with an *Offer of Admission*, listing the fees to be paid. All required fees must be paid in advance.

UWSCollege will honour the fee stated in an *Offer of Admission* provided you enrol by the date specified in the *Offer of Admission*.

Refund Policy

If you require a refund of tuition fees, it is important that UWSCollege is notified in writing. You must also provide a copy of the electronic *Confirmation of Enrolment* (eCoE), together with the mailing address to which the refund is to be sent. Applications for refunds should include all relevant information to enable payment, such as bank name, bank account details, address of bank, and name of account holder. Refunds will be paid, or requests for refund responded to, within four weeks of lodging a request in accordance with the ESOS Act and National Code 2007. Payment of refunds will be made only in Australian dollars.

Please note that enrolment, accommodation placement and airport pick-up expenses are not refundable.

For more information about fees and refunds including a copy of the Fees and Refund Policy please refer to the UWSCollege website at www.uwscollege.edu.au

Student Visa

You must obtain a student visa before you come to study in Australia.

Each student visa is issued with an expiry date if applicable. You must extend your current visa, apply for a new visa subclass or leave Australia before your current visa finishes.

It is the responsibility of the visa holder to be aware of and fulfil the conditions of their visa. Your student visa conditions are detailed on the visa label in your passport or visa grant letter. For more information please refer to the DIAC website at www.immi.gov.au/students/

Each educational institution is obliged by law to monitor and to report to DIAC, students who show an unsatisfactory progress in their studies and unsatisfactory attendance.

It is a condition of your student visa that you inform UWSCollege in writing of any changes to your residential and mailing addresses within 7 days of the change.

For detailed and easy to follow information about student visas, please check the website of the Department of Immigration and Citizenship (DIAC) at www.immi.gov.au/students/

Permission to Work

1. Most student visas issued on or after 26 April 2008 contain permission to work.
2. You can work a maximum of 20 hours per week during the term and unlimited hours when your course is not in session.
3. For authoritative information about working while studying please refer to the DIAC website at www.immi.gov.au/students/

Overseas Student Health Cover (OSHC)

To obtain a student visa you will need to purchase Overseas Student Health Cover (OSHC) for the proposed duration of your student visa. You will need to provide evidence of that purchase to DIAC.

This is a compulsory health insurance that is required for a student visa. Students from Norway, Belgium and Sweden may not be required to take out OSHC if covered by their own health scheme and should check with their agent.

The OSHC is compulsory for all other students. The OSHC provider for UWSCollege and UWS is OSHC Worldcare.

In general, OSHC provides the same level of health insurance to international students as Medicare. Medicare is the Australian Government health insurance provided to Australian citizens. For more details about this insurance go to <http://www.studyinaustralia.gov.au/en/Study-Costs/OSHC>

Fortunately, most everyday health services are covered by OSHC, but it is important to know that not all health services are covered. For example, OSHC does not cover dental, optical or physiotherapy treatments and services. If you know you will need particular health care services that are not covered by OSHC, be prepared to pay for these services, and/or seek additional insurance.

Package your International Visa

There are currently several sub-classes of student visa that cover the whole study program, or particular courses.

To make studying in Australia less expensive and less complicated, you can 'package' your visa to cover all of your English courses and academic studies. This means that whether you're enrolling in two courses, or studying a UWSCollege Pathway course and then a degree at UWS, a single visa can cover it all.

UWSCollege Offer Package

A UWSCollege pathway package will simplify the administrative requirements of your visa.

All of our Academic courses can be packaged with an English Language course. University Foundation Studies courses can also be packaged with a Diploma course.

The following combinations of UWSCollege courses can be covered by a single visa.

1. English + University Foundation Studies
2. English + Diploma
3. English + University Foundation Studies + Diploma
4. University Foundation Studies + Diploma

To apply for a UWSCollege Package, please complete a UWS International Student Application Form found at www.uws.edu.au/international/downloads_page. This form is also available on page 43 of this brochure, and from your agent.

UWSCollege + University of Western Sydney Pathway Package

Courses at UWSCollege and courses at UWS can be packaged together in a single visa.

The following UWSCollege and UWS courses can be packaged together for your visa:

1. *University Foundation Studies + Undergraduate Degree
2. *Diploma + Undergraduate Degree
3. *University Foundation Studies + Diploma + Undergraduate Degree
4. English + Undergraduate Degree
5. **English + Postgraduate Degree

*If you do not meet our English Language requirements, these packages can also be offered with a UWSCollege English Language course.

**For this package you need to complete a UWS International Student Postgraduate Application form.

To apply for a UWSCollege + UWS pathway package or for an English course only, you need to complete a UWS International Student Application Form found at www.uws.edu.au/international/downloads_page. This form is also available on page 43 of this brochure, and from your agent.

UWS Deposit

To secure your UWS's package offer, you must pay a deposit of AUD\$2,000 to the University when you pay your UWSCollege course tuition fees. UWS will hold the AUD\$2,000 deposit until your university studies commence. The AUD\$2,000 deposit will then be deducted from your first session fees at UWS.

You will receive a Confirmation of Enrolment (eCoE) letter for the UWSCollege course, and a CoE letter for the UWS course.

Are you a current UWS student? ☐ No ☐ Yes

Representative's Contact Details (if applicable)

Representative's name:

Agent's Branch of submission:

Email:

Country:

Representative Stamp

i If you apply through a representative, you should ensure that your representative is registered with UWS to avoid delays in your application.
For details of representatives in your country go to www.uws.edu.au/international/representatives_worldwide

Section C: English Language Proficiency

You must submit proof of your English language proficiency with this application.

Is English your first language? ☐ Yes ☐ No, my first language is:

Please indicate which of the following applies to you:

☐ I have completed / I intend to sit an English language proficiency test (IELTS / TOEFL). You must submit a certified copy of your IELTS or TOEFL results. Your English Language proficiency test must be no more than two years old at the time of commencement of the course in UWS.

Date of IELTS / TOEFL test sat or to be taken (dd/mm/yyyy): ____ / ____ / ____

Result (if known):	IELTS	Overall Score:	Reading:	Listening:	Writing:	Speaking:
	TOEFL	TOEFL Score:	+ TWE (Test of Written English) Score:			

☐ I intend to study an English language pathway program at UWSCollege. Please complete the following section D.

☐ I have been studying in Australia or in a country where English is an official language. If you are, or have been, studying in Australia, UWS will consider studies undertaken within the past two years in assessing English language proficiency. Please tick the qualification you have completed or are currently studying.

<input type="checkbox"/> Senior secondary or year 12 qualification (e.g. HSC)	<input type="checkbox"/> University Pathway Program (e.g. UWSCollege)		
<input type="checkbox"/> Tertiary study in Australia (e.g. Bachelor or Diploma studies)	<input type="checkbox"/> Secondary or tertiary study in a country where English is an official language		
<input type="checkbox"/> Other	Name of course:		Name of Institution:
Country:	Duration:	Start Date: ____ / ____ / ____	Completion Date: ____ / ____ / ____

If you do not meet UWS English language requirements, you may automatically be considered for an English language pathway program at UWSCollege. If this is the case, you will be given a package offer from UWS and UWSCollege.

Please note, for visa application purposes, the Australian Government may require proof of English proficiency and may only accept IELTS. For more information please refer www.immi.gov.au/students

Section D: Application for English language and academic pathway programs at UWSCollege

Complete this section if you are also applying to study an academic pathway program and/or English Language pathway program at UWSCollege before your study at UWS. For details of fees, courses and start dates please refer to www.uwscollege.edu.au

English language pathway program selection The duration of your English course depends on your English level. All students without an official English test result (e.g. IELTS) are tested on arrival at the College.

Academic English for Tertiary Studies: <input type="checkbox"/> AEEP <input type="checkbox"/> EAP	How many weeks?:

APPLICATION FEE WAIVED FOR 2012

Section I: Declaration and signature

1. I wish to be considered for entry to the course listed above, and declare that all the information submitted on this application form is correct and complete.
2. I authorise the University of Western Sydney to obtain official records from any educational institution previously attended by me.
3. I clearly understand and accept that enrolment in the University of Western Sydney will require compliance with the provisions established by the Australian Government for fee-paying overseas students, which include the following:
 - 3a. Temporary entry to Australia, if granted, will be for study purposes only.
 - 3b. To be accepted to study at the University of Western Sydney, I must have at least the minimum academic and English language requirements for the course.
 - 3c. I will be permitted to continue my study in Australia only if I make satisfactory progress in my course.
 - 3d. I undertake to inform the University of my Australian residential address and telephone number at enrolment.
I will advise the University of any changes to these details while enrolled at the University of Western Sydney.
 - 3e. I am to return home on the completion of my study or at the expiration of my temporary entry permit, and I understand that temporary entry as a student confers no right of permanent residence in Australia at a later date.
4. I undertake to pay the prescribed tuition fee for which I am liable, and am aware that failure to pay the charge when it becomes due means that I will not be permitted further temporary stay in Australia to pursue the studies which attracted the charge.
5. I understand I will be required to pay compulsory school fees for any children accompanying me to Australia who are aged between 6 and 15 years.
6. I understand that the University of Western Sydney reserves the right to vary any decision regarding admission or enrolment made on the basis of incorrect or incomplete information.
7. Should I be found ineligible for admission to either of the courses nominated on the front of this application, I authorise UWS to assess my eligibility for a university pathway course.
8. The information provided by me to the University of Western Sydney may be made available to Commonwealth and State agencies, pursuant to obligations under the ESOS Act 2000 and National Code. http://aei.gov.au/AEI/ESOS/NationalCodeOfPractice2007/National_Code_2007_.pdf
9. FEES For information regarding Fees please refer to our website at www.uws.edu.au/international/course_fees
10. REFUND POLICY For information regarding the Refund Policy please refer to our website at www.uws.edu.au/international/feepol

I have read and understood the above conditions and accept them fully.

Signature of applicant (not agent)

Date (dd/mm/yyyy): ____ / ____ / ____

Parent/Guardian signature of applicant (for students under the age of 18 at time of application, the signature of a parent or guardian is required)

Date (dd/mm/yyyy): ____ / ____ / ____

I grant UWSCollege permission to provide my parent(s), and agents or guardian(s), if requested, with any information pertaining to my application to study, ongoing academic progress, results and attendance. ☐ Yes ☐ No

Section J: Have you...

- ☐ provided your email address and phone number on the front of this application
- ☐ attached certified copies of ALL required documentation
- ☐ attached English translations of ALL required documentation
- ☐ signed the declaration

Section K: How did you hear about UWS?

- ☐ Agent ☐ Education institution
- ☐ Family / Friend ☐ Australian Embassy / High Commission
- ☐ Advertisement ☐ Education exhibition / interview program
- ☐ Other, please specify:

Certification of documentation

Documents can be certified by any of the following:

- » a UWS International Officer
- » a contracted agent of UWS
- » a Student Centre Officer at UWS
- » the Administration office or official Records Department of the institution which originally issued the document/s
- » an Australian Overseas Diplomatic Mission
- » a Bank Manager/Senior Police Officer (Australia only)
- » a Solicitor/Attorney/Notary Public
- » a Justice of the Peace

The Certifying Officer must print 'this is a true copy of the original document sighted by me'. They should also record their name, contact address, telephone number, profession or occupation or organisation, date verified and then sign the document. The Certifying Officer should include the official stamp or seal of the certifier's organisation on the copy, if the organisation has such a stamp.

Warning: It is an offence to submit fraudulent documentation in support of an application. Where fraudulent documents are detected the application will be rejected, any offer of enrolment will be withdrawn and any student already studying at UWS will have their enrolment cancelled. The matter may be reported to ICAC (Independent Commission Against Corruption), the police, and DIAC (Department of Immigration and Citizenship).

Lodging your application

Please forward your application to:

UWS International Admissions
University of Western Sydney
Building ES, Parramatta campus
Locked Bag 1797
Penrith 2751 NSW
AUSTRALIA

Or email your application to uwsadmissions@uws.edu.au

Please note:

- » Satisfying minimum entry requirements does not guarantee admission.
- » You will be advised by mail of the result of this application as soon as possible.
- » If submitting documents by email, you will need to supply certified copies of original documents on request.

Students with disabilities

If you need extra help due to a disability while you are studying at the University, please provide a brief statement outlining your needs on a separate piece of paper. This information will be confidential and will not affect your admission to the area of study for which you are applying.

The information in this publication was correct as at July 2011. For information updates visit: www.uwscollge.edu.au and www.uws.edu.au. UWSCollge and the University of Western Sydney reserves the right at all times to withdraw or vary courses listed within this publication. Variations may include but are not limited to location of its courses on UWSCollge and UWS campuses or course fees and intake availability. In the event that a course within this publication is to be changed or withdrawn, applicants will be advised by mail to the address specified by them. In respect of course location change students should be aware of the need to accommodate such changes for the whole or part of courses for which they enrol.

UWSCollge Pty Limited (ABN 44 003 474 468; CRICOS Code 02851G).

UWSCollge is a wholly-owned entity of the University of Western Sydney (UWS). UWSCollge Academic Pathway Programs are delivered by UWSCollge under arrangement with UWS (CRICOS Code 00917K).
