## Why Trent?

- Among the top five business programs among small universities in Canada (Globe and Mail)
- Internship and international study opportunities
- Class sizes that allow students get to know their professors and each other
- Student teams in top five in recent provincial and national student competitions in business ethics, management accounting and human resource management
- Sustainability, ethics, global perspective and innovation as cornerstones of successful leadership
- Opportunity to connect your business interests with other study areas

In Business Administration, we are educating the next generation of leaders, business professionals and entrepreneurs by going beyond the scope of traditional management to examine new and emerging practices. Our students comprise a committed and supportive community from all over Canada and the world.

## Career Conscious

Business Administration graduates are prepared for success in the corporate, small-business and non-profit sectors. Opportunities exist in a range of roles such as accountant, Indigenous business development officer, advertising and marketing director, labour relations specialist, and more.

## Degree Opportunities

**Bachelor of Business Administration (Honours)**

**Bachelor of Arts (Joint Major Honours)**

**Specialization in Human Resource Management**

**Master of Arts in Sustainability**
