

# St. Peter's College

## 2012-13 Program Guide

University where U matter!

Muenster, SK • 306.682.7886 • [stpeterscollege.ca](http://stpeterscollege.ca)

# St. Peter's College... Your Next Step...

Since 1921, St. Peter's College has offered students exceptional education and a dynamic student experience in a safe, friendly, supportive environment.

Our former students are the entrepreneurs, lawyers, science and health professionals, educators and leaders who are making a difference in communities, provinces and countries throughout the world.

With approximately 150 students, St. Peter's College offers you the opportunity to begin your university education on a campus where YOU are an important and valued individual.

We offer YOU a great place to begin university, to get a great education and to have fun. St. Peter's College is YOUR next step after high school and YOUR first step to higher education.

# St. Peter's College & the University of Saskatchewan...

St. Peter's College has been affiliated with the University of Saskatchewan (U of S) for more than 85 years.

We offer U of S classes taught by U of S approved instructors. In fact, many of our instructors teach at both St. Peter's College and at the main campus in Saskatoon.

Our students are U of S students. In order to attend St. Peter's College, you must apply to, and be accepted by the U of S. Your marks will appear on a U of S transcript.

Not only are you eligible for U of S scholarships, but you are also eligible for the thousands of dollars of St. Peter's College scholarships.

Students get the benefit of an internationally renowned university as well as personal attention and small class sizes at St. Peter's College.

# Start here... Succeed anywhere...

St. Peter's College is well known for providing students with a great student experience.

We offer 1st and 2nd year university classes. You can begin your university degree here and then go on to complete the rest of your studies at...

The University of Saskatchewan, The University of Regina, or at any university you choose.

With the strong supportive environment we offer, your transition to university life is a lot easier.

# St. Peter's College...

## Begin Your University Education In...

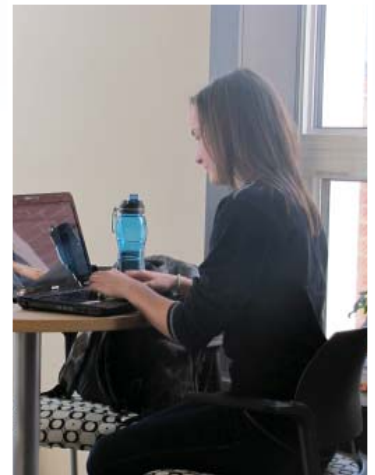

- Arts & Science
- Agriculture
- Kinesiology
- Commerce/Business
- Writing

## Fulfill Admission Requirements to...

- Education
- Law
- Dentistry
- Nursing
- Pharmacy
- Nutrition
- Medicine
- Veterinary Medicine

## Transfer Classes to...

- Education
- Engineering
- Social Work
- Journalism
- Optometry
- Nursing
- Communication Disorders
- Police Studies
- Environment Studies
- And more

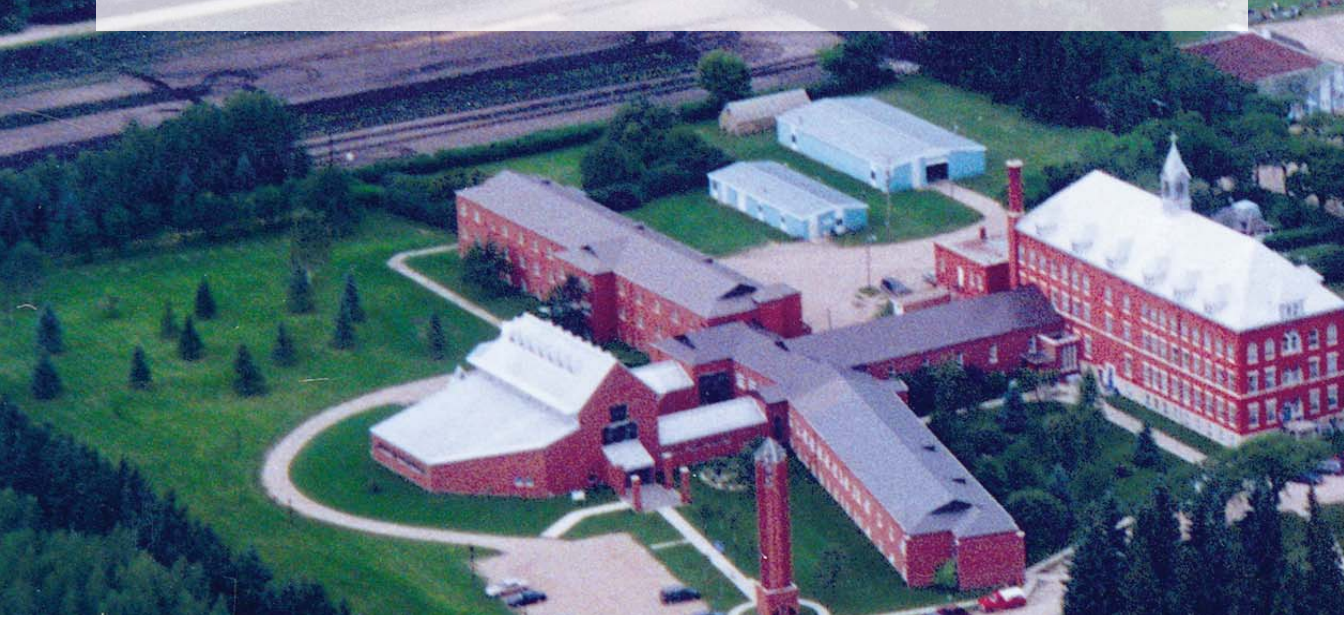

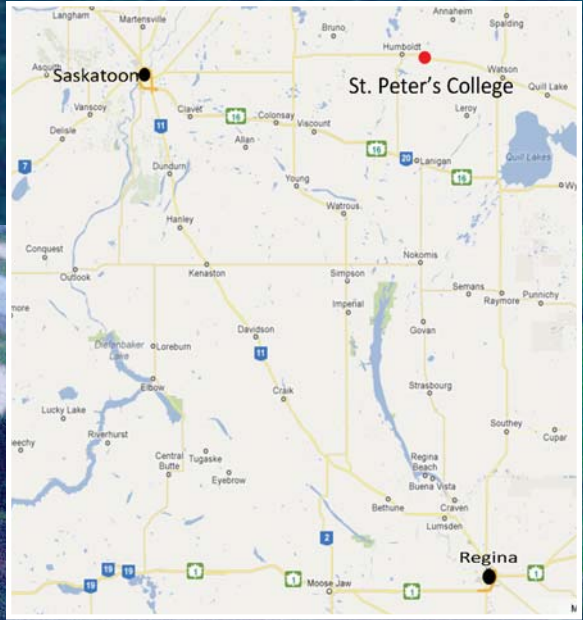

# Discover our beautiful campus...

The main College building, Michael Hall, houses classrooms, laboratories, administration and recreational space. Also in Michael Hall are the dining hall and the Academic Centre for Excellence.

The College's two student residences, Scholastica and Severin Hall, are just steps away from Michael Hall.

The Sports Complex houses a gymnasium, fitness centre, racquetball/squash court, dormitories and an indoor hockey rink.

St. Peter's College is nestled on 500 scenic acres of mixed forest and organic farmland in East Central Saskatchewan.

The College is located approximately 1 hour east of Saskatoon on the edge of the Village of Muenster. The nearest city, Humboldt, is only 10 minutes away.

# Your success is important...

St. Peter's College's faculty and staff are dedicated to making sure you receive the very best in education and have a terrific learning experience.

Our academic advisors will advise you on how you can reach your academic goals. They will help you apply for admission, develop an academic plan, choose your classes, set up your timetable and register for classes.

Through our Academic Centre for Excellence you can attend sessions on topics such as study skills, note taking, essay writing and exam writing skills. The Centre also will assist you with finding a tutor if you need one.

Small Classes... Big Education! In our small classes you receive the finest quality of instruction, a greater level of personal attention from your instructor and the opportunity for greater class discussion to increase your learning potential. We want you to succeed!

# Your student experience is important...

Our students love it here! St. Peter's College has all of the activities that will make your time here fun and exciting.

Participate in intramural sports such as volleyball, basketball, floor hockey, badminton, indoor soccer, racquetball and squash.

Become involved in student government and help to plan activities for our student body or join one of the student clubs.

Fill your social calendar with the many dances, readings, movie nights and coffee houses that are held on campus.

Attend the many events sponsored by Campus Ministry, such as Lunch with Benedict, Alpha Program and the Medieval Feast.

Volunteer in community organizations in Humboldt or the surrounding area, like Big Brothers and Sisters or the S.P.C.A.

Or you can hang out in our busy student lounge. There is always something to do at St. Peter's College!

# Our Programs...

At St. Peter's College, you can begin your University of Saskatchewan degree in Arts & Science, Commerce/Business, Agriculture or Kinesiology.

You can fulfill the entrance requirements to the University of Saskatchewan Colleges of Education, Law, Dentistry, Nursing, Pharmacy, Nutrition, Medicine or Veterinary Medicine.

You can transfer to programs such as Education, Engineering, Social Work, Journalism, Optometry, Nursing, Communication Disorders, Police Studies or Environmental Studies.

St. Peter's College provides free academic advising throughout the year. Academic advising is recommended for all students. To ensure your classes meet your degree requirements, please contact Student Services at 306.682.7886 to book an appointment.

# Arts and Science

Arts and Science is the starting university college for many of the students who attend St. Peter's College and leads to many different degree options. Arts and Science classes can be used to fulfill some or all of the requirements for the Health Science or Professional Colleges offered by the University of Saskatchewan.

The final admission average for Saskatchewan high school students wishing to be accepted as an Arts and Science student is 70%. If your admission average is between 50% - 70%, you may be offered the Transition Program. The deadline to apply to Arts and Science is August 15.

Your choice of degree program will determine which classes you will take in your first year. Please see an academic advisor to ensure that your classes meet the requirements of your degree.

Program	Grade 12 Requirements:	Suggested Courses for the First Year of Degree
Bachelor of Arts (B.A.) Humanities (Type A)	Foundations 30 or Pre-Calculus 30 30 level (Grade 12) courses as required. i.e. Biology 30 if you wish to take BIOL 120.3.	12 c.u. Humanities 6 c.u. Social Science 6 c.u. Science 6 c.u. Electives
Bachelor of Arts (B.A.) Social Sciences (Type B)	Foundations 30 or Pre-Calculus 30 30 level (Grade 12) courses as required. i.e. Biology 30 if you wish to take BIOL 120.3.	12 c.u. Social Science 6 c.u. Humanities 6 c.u. Science 6 c.u. Electives
Bachelor of Science (B.Sc.) Natural Sciences (Type C)	Foundations 30 or Pre-Calculus 30 30 level (Grade 12) courses as required. i.e. Biology 30 if you wish to take BIOL 120.3.	12 c.u. Natural Science 3 c.u. Math 6 c.u. Social Science 6 c.u. Writing Requirement 3 c.u. Electives
Bachelor of Art (B.A.) Art & Art History (Type D)	Foundations 30 or Pre-Calculus 30 30 level (Grade 12) courses as required. i.e. Biology 30 if you wish to take BIOL 120.3.	12 c.u. Fine Art 6 c.u. Humanities 6 c.u. Natural Science 6 c.u. Social Science
Bachelor of Fine Arts (B.F.A.)	Foundations 30 or Pre-Calculus 30 30 level (Grade 12) courses as required. i.e. Biology 30 if you wish to take BIOL 120.3.	30 c.u.s of Studio classes & electives. Please see an academic advisor.
Arts and Science Transition Program	Foundations 30 or Pre-Calculus 30 30 level (Grade 12) courses as required. i.e. Biology 30 if you wish to take BIOL 120.3.	In the Transition Program, you can take a maximum of 9 c.u.s per term.

# Paths to Non-Direct Entry Colleges

At St. Peter's College, you are able to fulfill some or all of the requirements to non-direct entry colleges at the University of Saskatchewan. Non-direct entry colleges require students to complete specific academic prerequisites where the student average is considered for admission into the College. Students who are pursuing careers in Health Sciences, Education or Law appreciate the small class sizes and quality of education that we provide.

Please note that the non-direct entry colleges may have additional requirements prior to your acceptance into their program. These requirements may include volunteer/working experience, interviews and exams. Please see the appropriate webpage at the University of Saskatchewan's website at [www.usask.ca](http://www.usask.ca) for further information.

College	High School Requirements	Program Requirements
Dentistry	Biology 30 Chemistry 30 Physics 30 Foundations 30 or Pre-calculus 30	<b>At St. Peter's College, you are able to complete 30 c.u.s (1 year) of the 60 c.u. Pre-Dentistry Program.</b> You will need a minimum average of 75%. The mean acceptance average to the College of Dentistry is 87%. <u>College of Dentistry Course Prerequisites:</u> BIOL 120.3 and BIOL 121.3 or BIOL 224.3 CHEM 112.3 and CHEM 250.3 PHYS 115.3 and PHYS 117.3 BMSC 200.3 and BMSC 230.3 6 c.u. Social Sciences or Humanities Additional electives to complete 60 c.u.s  For complete requirements, please see: <a href="http://www.usask.ca/dentistry/admissions/">http://www.usask.ca/dentistry/admissions/</a>

# Paths to Non-Direct Entry Colleges

College	High School Requirements	Program Requirements
Education Elementary/ Middle Years	Dependent on your teaching areas and courses you would like to take	<p><b>Depending on your teaching areas, you will be able to complete 30 c.u.s (1 year) or 60 c.u.s (2 years) at St. Peter's College.</b> To apply to the College of Education you will need 60 c.u.s (2 years) of university course work and a minimum overall average of 60%. You also need 35 to 40 hours experience working with children (volunteer or paid).</p> <p><u>College of Education Course Prerequisites:</u>            ENG 110.6 or equivalent &amp; NS 107.3            A minimum of 3 c.u.in each of the following areas:            Math, Natural Science, Social Studies, Fine Arts &amp; Kinesiology            18 c.u in Teaching Area 1            12 c.u. in Teaching Area 2            Additional external electives to complete 60 c.u.s.</p> <p>For complete requirements, please see:  <a href="http://www.usask.ca/education/program/prospective-students/forms/elementary-middle.pdf">http://www.usask.ca/education/program/prospective-students/forms/elementary-middle.pdf</a></p> <p>Note: If you are accepted into the University of Regina's direct entry Education program, you may take your first year at St. Peter's College.</p>
Education Secondary	Dependent on your teaching areas and courses you would like to take	<p><b>Depending on your teaching areas, you will be able to complete 30 c.u.s (1 year) or 60 c.u.s (2 years) at St. Peter's College.</b> To apply to the College of Education you will need 60 c.u.s (2 years) of university course work and a minimum overall average of 60%. You also need 35 to 40 hours experience working with children (volunteer or paid).</p> <p><u>College of Education Course Prerequisites:</u>            ENG 110.6 or equivalent &amp; NS 107.3            24 c.u in Teaching Area 1            15 c.u. in Teaching Area 2            Additional external electives to bring to 60 c.u.s.</p> <p>Note: If you are accepted into the University of Regina's direct entry Education program, you may take your first year at St. Peter's College.</p>

# Paths to Non-Direct Entry Colleges

College	High School Requirements	Program Requirements
Engineering (Transfer In Classes)	Chemistry 30* Physics 30* Pre-Calculus 30* Calculus 30*.  *Apart from meeting the admission average for the college, marks in the indicated subjects need to have a combined average of at least 70%.	<p>The College of Engineering at the University of Saskatchewan is a direct-entry college. <b>St. Peter's College offers classes that will transfer into Engineering.</b> Although this will add an additional year onto the degree program, you may consider this a positive option of spreading your 1st year of Engineering over 2 years. You will need to meet the transfer average of 70%.</p> <p><u>Courses available at St. Peter's College that will transfer to the College of Engineering:</u>            CHEM 112.3            MATH 110.3 and MATH 116.3            3 c.u. Commerce            6 c.u. Natural Science            3 c.u. Humanities or Social Science</p> <p>You can take additional classes depending on the type of Engineering you wish to pursue. Please see an academic advisor.</p> <p>For information about the College of Engineering, please see: <a href="http://www.engr.usask.ca/esc/prospective-students.php">http://www.engr.usask.ca/esc/prospective-students.php</a></p>
Law	Dependent on the courses you would like to take and degree you would like to pursue prior to applying to the College of Law.	<p>Depending on which degree you wish to pursue, prior to enrolling in this Masters program, <b>you are able to complete 30 to 60 c.u.s (1 to 2 years) at St. Peter's College.</b></p> <p><u>College of Law Course Prerequisites:</u>            There are no specific course prerequisites for the College of Law. You may complete 60 c.u.s (2 years) at St. Peter's College.</p> <p>The College of Law at the University of Saskatchewan considers your best two full years of undergraduate study to calculate your G.P.A. as well as your LSAT score. Please see an academic advisor for your best options.</p> <p>For information about the College of Law, please see: <a href="http://law.usask.ca/programs/law-degree/Do-I-Qualify.php">http://law.usask.ca/programs/law-degree/Do-I-Qualify.php</a></p>

# Paths to Non-Direct Entry Colleges

# Writing Diploma: Become a Writer, in any Discipline

St. Peter's College offers a unique Writing Diploma that features award-winning and internationally renowned instructors. The coursework includes accredited courses that can be used towards a degree in Arts & Science, Education, Law, Social Work, Marketing, and many other professions. This programme is essential for those who wish to pursue any type of writing as a career.

## Program Requirements

Credit Courses	36-45 hours of St. Peter's Workshops	Practicum/Internship
ENG 110.6 ENG 365.6 ENG 308.3 & ENG 309.3 42 cu of SPC/U of S courses Please see an academic advisor.	These include various forms of short fiction, the novel, poetry, nonfiction, playwriting, magazine writing, and revision techniques, other topics offered on a rotating basis.	39 hours—to be developed individually with mentor.

## Build a network of professionals to help with your career. Learn the ropes.

St. Peter's College's Canada Council for the Arts Reading Series showcases more than 15 readers per year, including Giller Prize nominees, Governor General's Award winners, Commonwealth Writers' Prize for Best First Book winners, Lifetime Achievement Awards recipients, Saskatchewan Book awards winners, and others who have achieved literary acclaim. Students have the chance to ask questions from the crowd and to speak individually with these writers, many of whom are both professional writers and writing instructors.

## See your future. Complete your internship and send work out.

- Many have published books based on work first printed by the *Society*, St. Peter's literary and visual arts magazine.
- Work with a mentor or publisher, research history, produce a chapbook, work on a long manuscript—or devise your own approved project.
- St. Peter's will help you send work to magazines and small presses. We'll show you how to make the most of your writing experiences.

# University of Regina Programs

St. Peter's College offers a variety of classes for University of Regina programs. Since the University of Saskatchewan and the University of Regina have transfer agreements, you can take classes from one institution and transfer them to the other institution.

At St. Peter's College, you can be a University of Saskatchewan student, a University of Regina student or a student of both universities. Please phone 306.682.7886 for more information.

# Admission Categories

You are considered a University of Saskatchewan student while you attend St. Peter's College. The University of Saskatchewan has a number of admission categories depending on a student's age, academic standing, educational history and country of origin.

If you are not sure what admission category you are in, or what the university requires for your admission, please contact Student Services at 306.682.7886.

## **Early (Conditional) or Regular Admission**

If you have completed or are currently completing high school, this is the category in which you will be considered. The admission average will be calculated using the final marks for the completed subjects and the projected or estimated marks for the subjects in progress.

## **Transition Program**

If you have graduated from high school, but do not meet the College of Arts & Science admission requirements, you may be eligible for admission to the Transition Program.

## **Special (Mature) Admission**

Special (Mature) Admission is available to applicants who do not qualify for Regular Admission. All direct-entry colleges except the College of Education consider applicants under Special Admission.

To apply for Special (Mature) Admission you must meet the following criteria:

- You must be 21 years of age by the first day of classes.
- You must be a Canadian citizen or a landed immigrant.
- You must be entering the first year of study. Applicants who have completed 18 credit units or more of university-level credits are not eligible to apply for Special (Mature) Admission.

# Admission Categories

## International Students

International students are very welcome at St. Peter's College and the University of Saskatchewan. Students will require a study permit issued by Canada Customs and Immigration. Application procedures for international students are very similar to those of Canadian students. Please contact us for all the requirements for admission.

## Audit Students

Should you wish to sit in on a particular course, but do not want to take the course for credit, you may apply as an audit student. Fees are assessed at 50% of the regular course cost.

## Senior Citizen Option

As a senior citizen, you may take less than 18 credit units with all tuition fees waived. However, you will be responsible for any materials, laboratory fees, student fees and other class costs. You must submit proof of age, and, in order to qualify, you must be 65 years of age by the date the class starts and submit your request for waiver to the Finance Office.

# How to apply to St. Peter's College

## 1. Apply to St. Peter's College

Apply online at [www.stpeterscollege.ca](http://www.stpeterscollege.ca). For more information phone: 306.682.7886 OR email: [admissions@stpeters.sk.ca](mailto:admissions@stpeters.sk.ca)

## 2. Apply to the University of Saskatchewan (U of S)

Apply online at [www.explore.usask.ca/admission](http://www.explore.usask.ca/admission) Application deadlines are February 15, May 1 or August 15 depending on the program for which you are applying.

## 3. Submit Payment.

Submit a non-refundable application fee of \$90 to the U of S. Your application will not be processed until the U of S receives payment. You may pay by credit card online by selecting "Pay Now" on the application form. If you select the "Pay Later" option you may submit the \$90 application fee by:

- Credit card (by phone – 306.966.5788)
- Personal cheque or money order; mail to: Admissions, University of Saskatchewan, 105 Administration Place, Saskatoon, SK S7N 5A2 Canada
- Debit or cash (in person only)

If you have previously attended the U of S, you are not required to pay the application fee.

## 4. Submit your preliminary marks.

If you are currently completing grade 12, please submit your preliminary grade 12 marks by using the self report marks form at [www.explore.usask.ca/admission/grades](http://www.explore.usask.ca/admission/grades).

# How to apply to St. Peter's College

5. **Submit your final high school and post-secondary transcripts**  
Arrange to have your final high school transcript sent directly to the U of S Admissions Department by the appropriate Ministry of Education. Saskatchewan residents can access the website at [www.sasklearning.gov.sk.ca](http://www.sasklearning.gov.sk.ca). If you attended another post-secondary institution, arrange to have that institution send transcripts directly to the U of S Admissions Department.
6. **Submit other required documents if required**  
If you are an international student you must submit proof of English proficiency.  
  
If you are applying under Special (Mature) Admission, you must submit proof of age and a summary of work and personal experience since leaving school, in addition to the other documents required.
7. **Apply to residence**  
The residences at St. Peter's fill up early - apply as soon as you can at [www.stpeterscollege.ca](http://www.stpeterscollege.ca).
8. **Student number & NSID**  
When you receive your acceptance from the University of Saskatchewan, please phone 306.682.7886 or email [admissions@stpeters.sk.ca](mailto:admissions@stpeters.sk.ca) and let us know your student number and your NSID.
9. **Call for help**  
Please call us if you have any questions or need any help at 306.682.7886.

**St. Peter's College**  
**Box 40, Muenster,**  
**Sk S0K 2Y0**

**Phone: 306.682.7886**

**Fax: 306.682.4402**

**Email: [admissions@stpeters.sk.ca](mailto:admissions@stpeters.sk.ca)**
